ane and I are graduating from St. Andrew's this year. The Andrean community has been incredibly kind and generous to us over the past twelve years, and in particular, during the past year. I cannot express adequately how appreciative we are for this support. One of the great strengths of this school is the closeness of the community. We have certainly experienced it during our years here and enjoyed the camaraderie that only living on campus can provide.

While we have faced a number of challenges, they were insignificant in comparison to the many achievements and successes of the boys. I will always remember one Saturday afternoon in the late fall of 1998, the school's centennial year and my second year. Two SAC Varsity teams, soccer and football, battling it out for CISAA Championships, side by side on the lower fields against Ridley and UCC respectively. With the sun sinking behind the Chapel steeple, the final whistles sounded – both Saints teams emerging victorious. Steven Spielburg could not have masterminded a better script for the Staunton years.

With that I will say thank you, good bye and God Bless. Ted Staunton

## The Prefects

Back Row - Drake McCleave, Cam Oram, Nameer Rizvi, Ryan Ball, Jason Durst,

Middle Row - Andrew Merkel,

MacDonald, Morgan Bonner,
Front Row - Mr. Courtney Shrimpton
Esq., Miichael Goitanich, Adam
Mortyo, Ryan Cole, Aaron Macdonald
Mr. Ted Staunton, Headmaster

extraordinary group of young men, who take time from the busy life of St. Andrew's College to give back to the community and ensure the students have

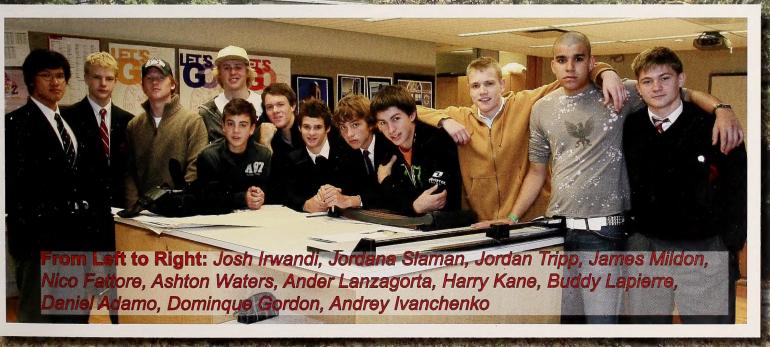

Prefects certainly accomplished that goal. Raising the bar on each event they ran and dedicating themselves to the daily spirit of the school. From speaking in Chapel, performing on the sports field.

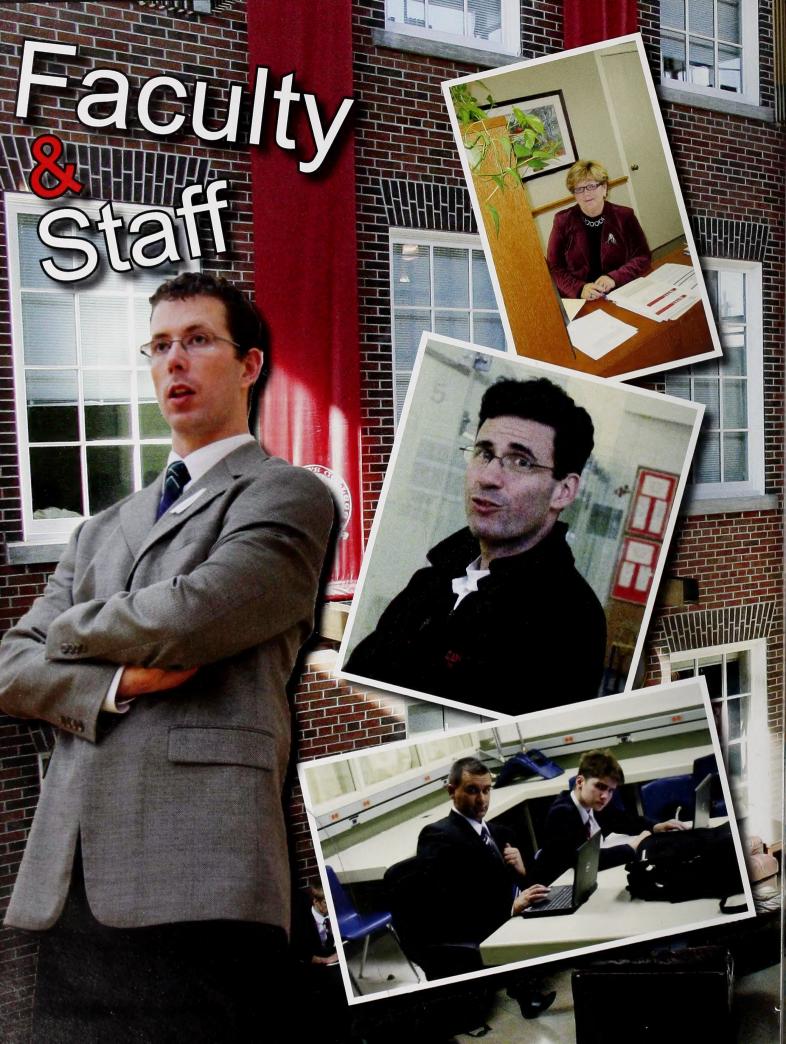

the stage, or in the classroom, helping younger students in the library, or simply joking around in the Gallery the Prefects are always visible and exemplify the well rounded citizen. The Homecoming Dance organised by the Prefects this year was the biggest on record, the Spirit at the Pep-Rallies was at an all time high, and at Carol Service we discovered the Prefects could sing too. The Prefects worked well together despite usually having drastically differing ideas, opinions, and passions. They have become a group of friends and true Andrean brothers. As the Prefects graduate this year it is clear the school has transformed each of them from boys into men and true leaders. It has been an honor working with them this year and we wish next years Prefects the best of luck as they continue to keep the Andrean Spirit alive:

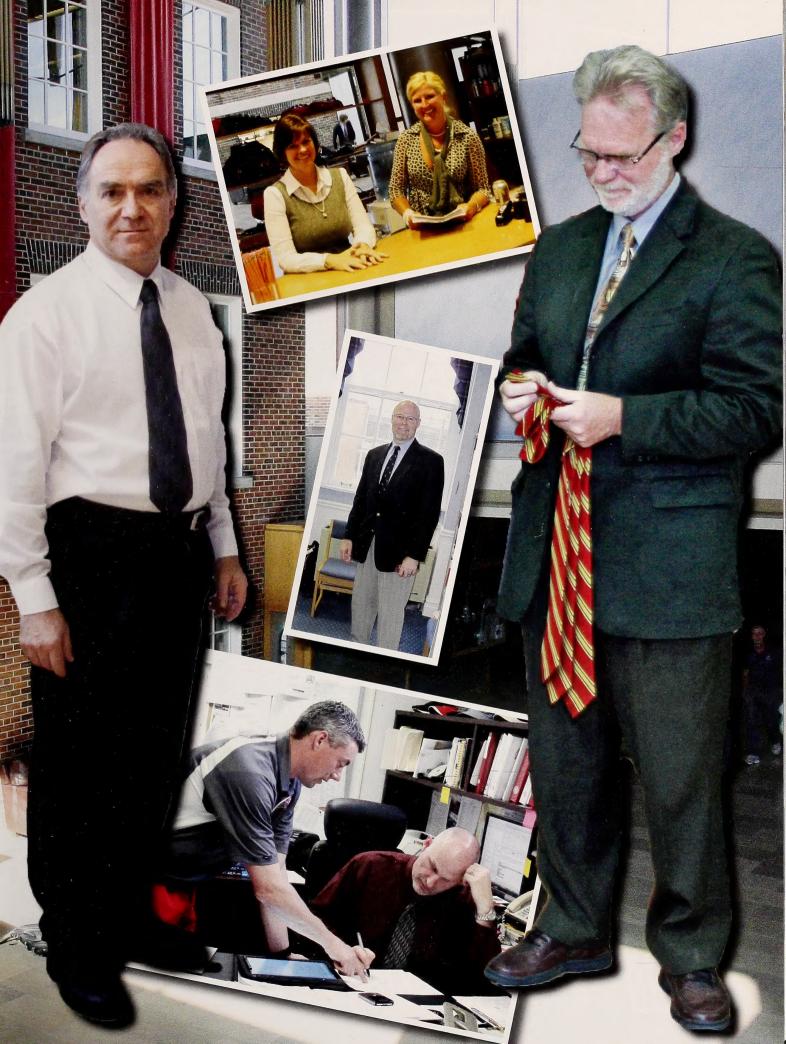

Ryan Cole Head Prefect 2008-2009

# The Review

The Review class is one of colorful characters. With a variety of strengths and weakness, the team works collectively to produce a final document second to none. As an alternative to cience. The Review course becomes immediately attractive to students with creativity and a passion for visual art. Responsible of creating a memorable book which the graduates of 2009 will ook back upon for good memories. It is our duty to make sure ness memories as visually pleasing as possible. Although the students are graded in the class they do it as a responsibility to lief fellow Andrean's

## Maebeihn

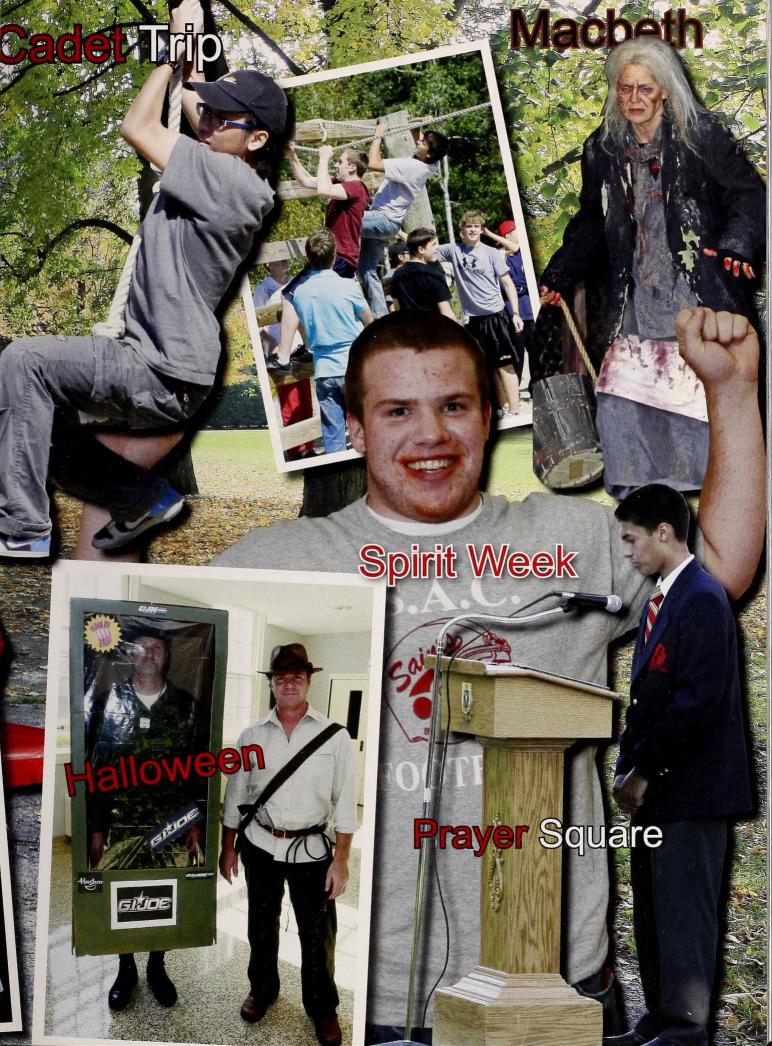

his year the St. Andrew's College Dramatic society presented a horrifying version of Macbeth featuring Ryan Cole (grade 12 Head Prefect) and Stephanie Seaton (Randolph Graduate) as the cursed Macbeths. The show was simplistic in set but had some truly stunning visual effects and certainly a lot of blood. Directed by Mr. William Scoular the actors were taught the difficulties of modernizing Shakespeare and were privileged to work with such a talent director and crew also featuring Stratford fight directors who choreographed an amazing final sword fight between Macbeth and MacDuff (Phil Whitfield, Grade 12 Prefect). The stage was also graced by award winning actress Barbara Chillcot who along with the late Donald Davis started Canada's first professional theater, Crest Theater. She started as one of the famous witches along side Peggi Reninger

and Jane Staunton. The three witches terrified audiences from start to finish but also imparted their vast acting knowledge to all other members of the cast. The show was a huge success and will certainly be remembered by all for years to come.

FIRST ROW: JASON PARK, MIKE ANDERSON, PHILIP WHITFIELD, CLARK RABBIOR, MICHAEL GOITANICH, MAX BAUER, TYLER BROWN, GRAYDON CALVERT, MORGAN BONNER, BRENDEN HEWKO, JAKE ROMAN, JOSHUA HARRIS, NIEL BLUNDEN, TOLO AUVA'A

he success of a team, most particularly the First Football Team in the past decade has been marked by wins and losses and championships. This decade our record is a collective 56 and 13, a winning percentage over 800. We have won been in the eight of nine CISAA Championships, have won two CISSAA Championships and two Provincial Championships. Of the 13 losses this decade 9 of the 13 losses have been to St. Mikes. Over the last four years the only games St. Mike's has lost have been to us. Otherwise they are undefeated over the last five years. They are obviously our nemesis and a challenging mountain to overcome. This year was no exception as we fell just short of our goal falling to St. Mike's 27-7. As a coaching staff were very proud of a number of things this year: Two players played almost every down of defence and offence. Tolo Auva and Ryan O'Conner The incredible success of three kids whoweneverthoughtwould be in our starting secondary, Clark Rabbior, Michael Goitanich and Phil Whitfield The play of our three starters who are only in Mardini, Nicholas grade 10. Matt. Dentay and Eddie Meredith. We are greatly indebted to all of our veterans and I want to recognize all of our grade 12's: Neil Blunden, Brenden Hewko, Tolo Auva'a, Josh Harris, Morgan Bonner, Ryan Besse, Michael Goitanich, Clark Rabbior, Jake Roman,

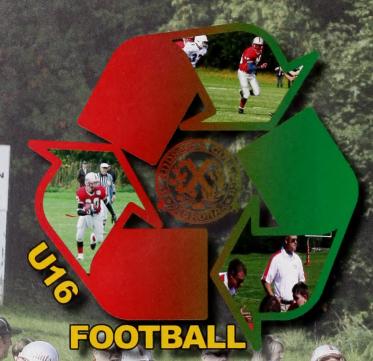

Michael Anderson,

James Stainer, Graydon

Park As I created the list of veterans it struck me, we only had 16 grade 12 players on our entire team! It is amazing to me to think that we can go undefeated in our league other than St. Mike's and challenge them for a championship with such an incredibly young team. The last thing that we are very proud of is our team's great desire to make things exciting. We always wanted to be charitable at the beginning of every single game by giving our opponents 7-10 or even 14 points in the first 2 minutes of every game. It certainly made for some incredible finishes and some great memories coming back to beat UCC in overtime and coming back with 14 points in the last 90 seconds to beat Trinity. I want to thank Coach Gurr, Coach Carroll and Coach Foote for all of the time they spend doing absolutely everything we can to prepare our players so that we can win football games, their commitment is absolutely incredible. My last thank you goes to a close and personal friend of mine and to First Football. Fifteen years ago Mr. Shields agreed to help Coach at First Football for what he thought was going to be a three year commitment. Last year he was a recipient of an Addison Award for his long commitment to First Football. At the conclusion of this season he has decided to step down and pursue coaching either at the U16 level or maybe even a new challenge. I want to thank Mr. Shields for all of the time and commitment he has provided to First Football over the last 15 years.

Calvert, Phil Whitfield, Max Bauer, Tyler Brown, Jason

ne of the largest rosters we've ever carried, and one of the most skilled teams in many years. We had record 3 players capable of taking on the all-important QB position: Carter Sopik, Alex harris and Chris Houston MIP Will Egi was a spectacular running back with unstoppable speed once he got outside. The receiver corps and O-line developed nicely so that, by the end of the season, the Offense had the largest playbook we've ever installed. Defensively, newly promoted DC Coach Kitigawa brought our defense to new heights with the largest defensive playbook seen at U16. Anchored by Connor Pugliese at rush end, and MVP Andrew Car at linebacker the defense really shone in the semi-final game versus Villanova where we held them to just one TD, allowing kicker Gonzalo Villegas to kick the winning field goal.

Season Summary:

SAC 14 SMCS 47 – With Ridley out of football, our season opener was against the strongest junior team in the province.

SAC 24 UCC 21 – A close game in which UCC threw a interception on our 5yd line with one minute remaining! SAC 16 VC 34 – Villanova found one play that worked and exploited it for a big win.

SAC 46 TCS 12 – The game in which our offense and defense both finally clicked.

SAC 11 VC 7 – CISAA Semi-finals: A defensive struggle in the mud in which The Beast finally proved its worth. SAC 11 SMCS 34 – Despite a well-rounded playbook and a determined effort, perennial powerhouse St. Mike once again proves to be too strong an opponent

First Row: Mr. Nicholas Day Esq., Ander Lanzagorta, Mark Belvedere, Jason Durst, Ryan Ball, Cruiser Fung, Grant Nych, Mr. David Manning Esq.

h the season that could have been... While the First Soccer team crashed out at the semi-final stages of both the CAIS tournament and CISAA league play, the season was

a successful one. It may sound wistful, but for a goal that never went in and a little luck in front of net, your Saints could have been not only the league champions, but also the National Champions. One can only look back on the season with pride and admiration: from the first exhibition game to the final game of the season, this team improved with each and every game. This talented group of young man, each bringing their own peculiarities to the squad, formed a formidable team that was never outmatched. Early season vitories

over Ashbury and Stanstead set the expectations Opening losses to St. Mike's and UCC reminded

there was still work to And work they did, becoming a unit slick passing and defence. Throw in some Spanish word 'dangles' was quickly added stats sheet) and suddenly the energy and confidence

became palpáble.

BM.

The U16 B soccer team this year was a new venture, replacing the U15 team of the past few years. The first two weeks were somewhat shaky as we built our team and worked out our positions. During that time we took some early hits from Albert College and St. John's Kilmarnock. However, after the initial shaky period, we had build a team of 18 capable players and settled in to our roles to be an effective soccer team from front to back. Our first victory came with a challenging win against Country Day School with a score of 5 – 3. We went on to face the York School and found ourselves up 7 goals at the half. An exciting second half added two more for a very convincing victory.

Sadly, we didn't make the finals, however what we had done was taken an idea of a team, and turned it into reality. Some of our players had very limited experience and were really determined to make themselves soccer players. Those with experience showed their leadership on the pitch, both in practice and in games. Our team Captain, Konstantin Bogdanow and our Assistant Captains, Parker Cumming and David Lau had significant impact on the success of our team through their guidance and unrelenting spirit. I'd like to thank all the members of the U16B team for an extremely rewarding season, and I hope to see you all continue with your soccer dreams at St. Andrew's College.

U16D3 Soccer

The Under 14 Tier 1 Soccer Team had a solid season! Unfortunately a 4-3 loss to St.mike's in the final league game left us one point shy of first place and travelling to St. Mike's for the final four. Although, we had possession for most of the game we struggled to put the ball away. With less than 10 minutes left in the game... St. Mike's scored and unfortunately, sealed our fate.

**Back Row:** Nameer Rizvi, Andy Lee, Justin Ford, Muhammad Salyani, Luis Miguel, Fernando Huert Miranda, Lucas Hussey, Nick Moutrey, Mr. D. Josselyn, Esq.

Middle Row: Jacob Kearley, Spencer Harris, Stefano Scaini, Luis Junco Lucio, Jordan Dunin, Lyndon Zhao, Jonathan McConnell

Front Row: Matthew Guizzetti, Chance Rodin, Mark Romanin, Jon Adams, Roberto Chedraui

he U14 Soccer Tier 2, coached by Mr. David Josselyn, and Assistant

MIP: Jonathan McConnell

Coach Nameer Rizvi ('09) took in a large group of 18 talented characters who were just inseparable in terms of skill level on the field. It was only after the pre-season warm-ups that we figured where we stood in relation with other teams, and it was not too high having only beaten Country Day School (CDS). However, through some hard, relentless training and plenty of laps around the soccer field, we saw progress during our first couple of CISAA games. And it continued throughout the season, which ended with a 2 win, 3 loss record and just barely missing out on the playoffs. Our highlights include Steffano's cool hairdo doing the tricks with the ladies at CDS while he was on the bench; Jon Adams constant chirping of the guy with the goggles, yes he is the brother of Alex Adams; Mark Romanin's and Lucas Hussey's rock-like defence, believe me, you do not want to mess with these guys; Andy Lee's lightning-fast runs from midfield to the goal post, without the ball; Luis Miguel's phenomenal right-foot continuously fetching

striking range, and Chance Rodin's hustling in the midfield, always getting the ball back to our possession whenever we lost it.

him goals while not even moving an inch from his spot in

## U12 Soccer

Front: John Polemidiotis, Mitchell Romanin, Justin Laird, Adrian Goyo, Aidan Calverley, Kunal Khemani.

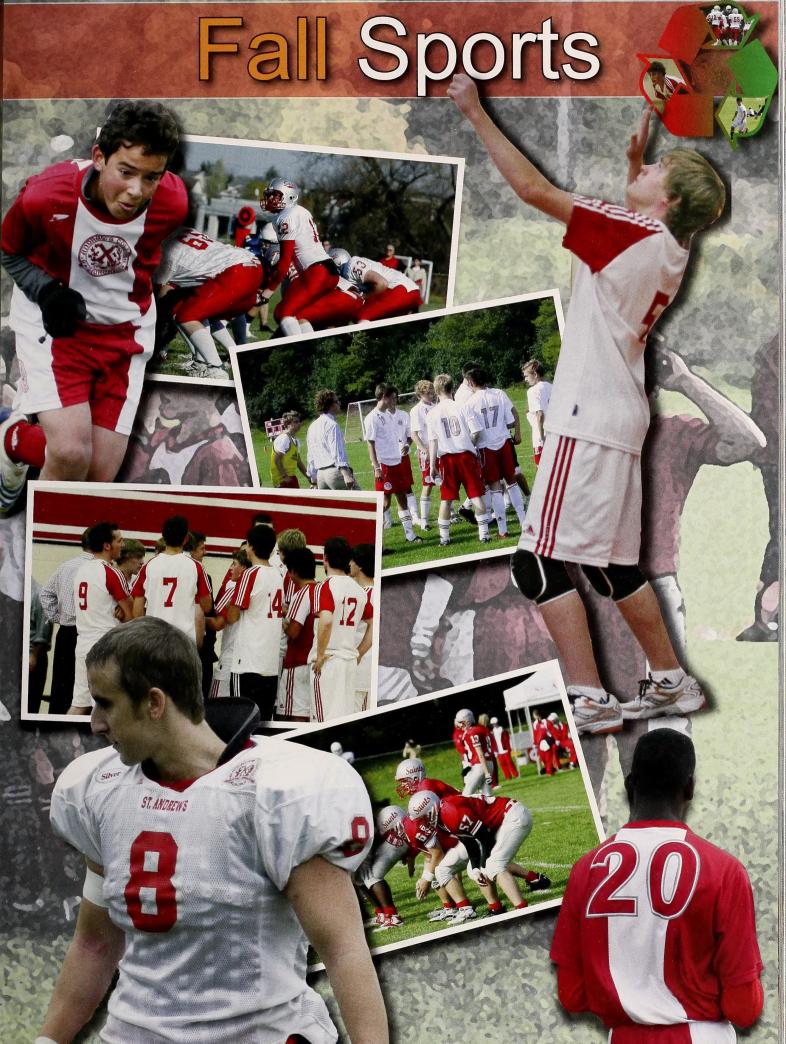

Middle: Austin Hassani, Matthew Galajda, Avery Mackenzie, Matthew lezzi, Fraser Sopik, Joseph Shields, Mr. Scott Lewis, Esq.

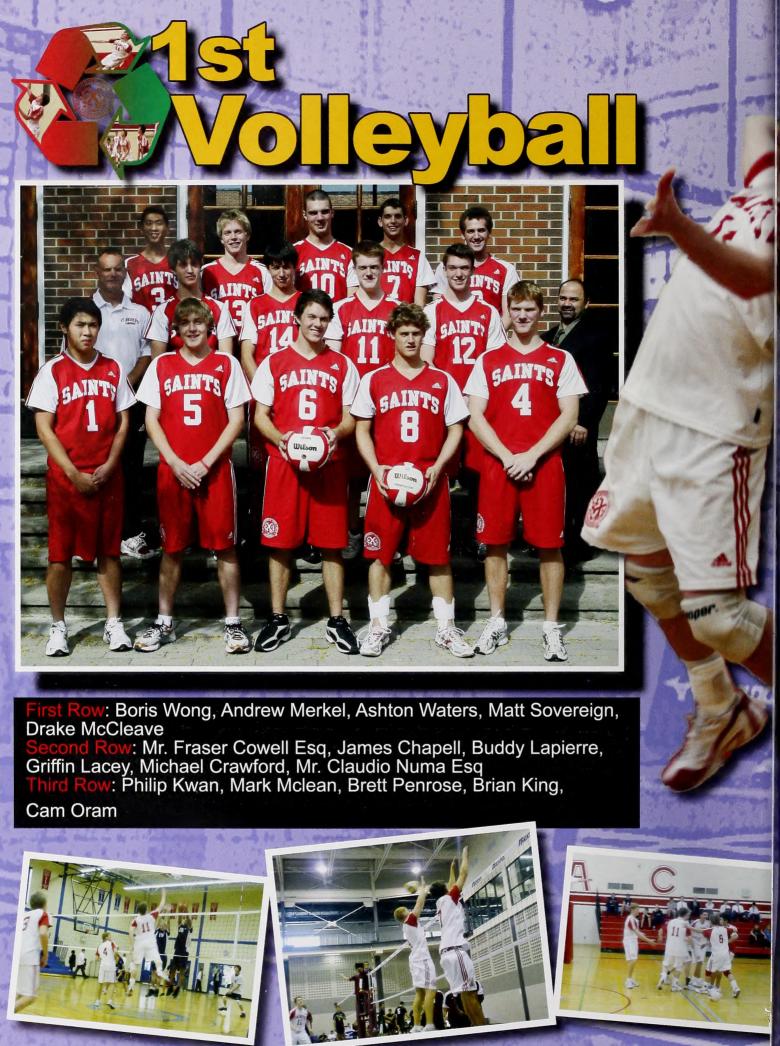

Back: Hollis Mackenzie, Min Hyuk Ji, Samuel Salomon, David Pierson, Bowen Reid.

The U12 Soccer team had a strong season. The team had a number of gifted scorers and was committed to improving the defence. A record 8 – 0 regular season was achieved due to all the hard work done by the outstanding team. At the final tournament, they proved that it was no fluke by handily beating Sterling Hall in the quarter-finals and then giving everything they had to beat RSG's 2-1 in the semis who, just like our Saints, had also gone undefeated for the season. Unfortunately, the team was outmatched by phenomenal team from Upper Canada College in final game loosing 3 – 0. Even though the team lost, it played with a great deal of heart though, and the boys all deserve to feel extremely proud of their second place finish.

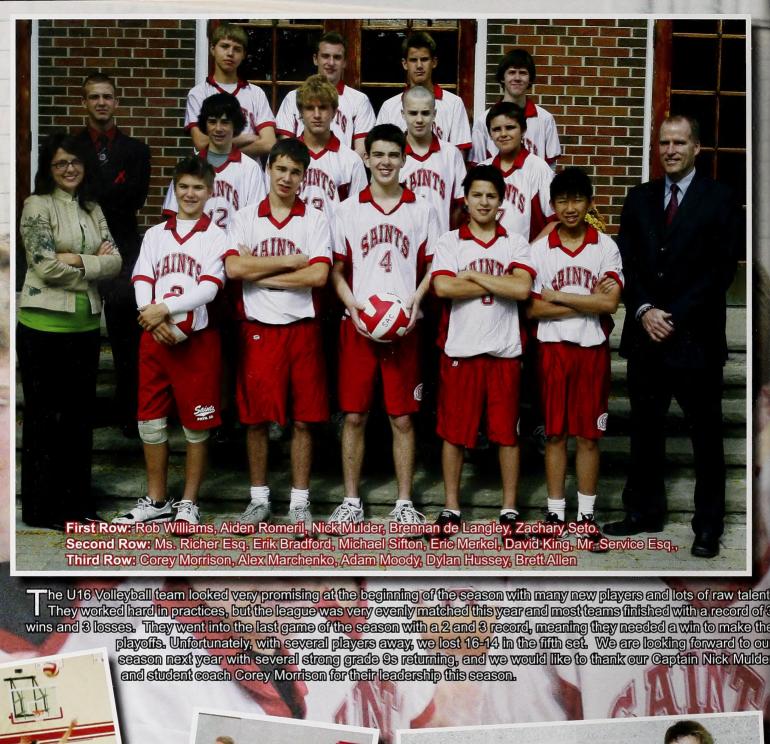

them play.

Vhat made Coach Cowell and I nost proud are the many positive omments from students and faculty tating how much fun they had atching the team play, this year. Ve first had to face St. Michael's the semi-to the CISSA first time over a decade. What made it weeter is that we beat St. Michael's

we are graduating eight athletes whom at one point or another throughout the season carried themselves like MVPs with their play and attitude. I would like to think this our best team in SAC history. CN.

ross country running is a sport in which you measure success by daily effort and improvement resulting in the achievements of personal best. Our Middle School had a very successful season with everyone putting forth a superior effort both on race days and during practice. The weather was not always favorable (if one cares to remember our final race at TCS). Our team was made up of various abilities from rookie to seasoned veteran. The leadership of rookie Erik Kimmerer and MVP seasoned veteran David Asbury set the tone for the season. MIP Luke Sifton through much support from teammates will long remember the experience. Our Mexican duo of Diego and Remi discovered that positive effort and determination bring about rewarding results.

## WINTER ACTIVITIES DAY

## Battle Fields Tour 2009

In order to truly appreciate history, one needs to walk in the footsteps of those who have come before us. In 2003, SAC faculty members Brian McCue, Tony Myrans and David Stewart witnessed a dream come to fruition as the first group of Andreans embarked on what has become one of the most successful trips in the history of St. Andrew's College. The Battlefield Tour. This year marks our seventh consecutive year of touring the battlefields of the First and Second World Wars and 24 students joined Maj. Brian McCue, Ms. Carolyn Bilton and me on this historic journey.

The trip was once again a huge success. We began in Normandy, combing through countryside where the key battles of the summer of 1944 took place. As we walked along a German bunker on Omaha Beach (approximately the Dog Green Sector made famous in the opening sequence of Saving Private Ryan), Danny McConnell walked onto the beach and wrote in huge letters, SAC '09; the Andreans left their mark (if only for a short while). From there we ventured north into Belgium where we toured the sacred sites of Ypres. During the daily Menin Gate ceremony, Brendan MacDonald was asked to pipe the lament for approximately 1000 people. This was a significant undertaking and he earned many compliments from the onlookers. We then moved to the Somme area where we toured the trenches of Beaumont Hamel, the site of the Newfoundland Regiment's fight on July 1, 1916. From there, we finished the tour at the most famous Canadian site, Vimy Ridge. This was an extraordinary way to finish a glorious tour. When asked about the impact of the trip, students said the following:

"After experiencing all the historic sites I truly realized what a great sacrifice these men made to give us our freedom."

Justin Ritchie '11

"Ever since I've been at the school I've heard about how amazing the Battlefield Tour is and have always wanted to go. This year I had the privilege to go on the tour ... the most emotional part of the trip, however, was the last ceremony at Vimy Ridge, where when we were done Mr. Stewart informed us that a 20 year-old Canadian women started crying because kids from Canada (meaning us) were recognizing and respecting the Canadians who paid the ultimate sacrifice for us." Dylan Hewko '11

This trip remains significant because the young Andreans who take this tour gain an understanding of the finality of war and the idea of Remembrance. And, for the young men who have gone on the Tour and the 24 who ventured forth this year, they will work hard to uphold the motto of the #142 St. Andrew's College Highland Cadet Corps: Dileas Gu Brath (Faithful Forever).

First Row: Max Dizgun, David Manning, Esq., Matt Sollows, Morgan Bonner, Neil Blunden, Griffin Lacey, Geoff Brennagh, Esq., Clark Rabbi Second Row: Ann Perrier, Esq., Mark Belvedere, Connor MacLeod, A.J. Masson, Mark McLean, Calum MacLeod, Matt Harrison, Greg Resq.

Third Row: Kevin Zacharuk, Ryan Besse, Adam Strumas, Leland de Langley, Lucas Boyd, Jordan Tripp

ed by a senior class with a previous two league championships under their belt, the expectations were high coming into the season for 1st Hoc. We traded wins, losses, and ties early in the season, while finding our way, and developing what we wanted to be our style. The high scoring of Captain Morgan Bonner and Assistant Captain, Griffin Lacey led the way offensively, while quiet leader Neil Blunden and Calum MacLeod held fort on Blue line. An early highlight was the St. Francis tournament in Buffald, NY, where the boys capped a great weekend by arguably playing finest game of the season, dismantling the hosts to win the championship 4.0. A forgetteble MacPherson tournament in early January was followed an unbeaten run in CISAA Regular season play and a number one seed heading into the playoffs. Prior to staring the CISAA playoff drive the te headed to St. Catherines, and Ridley College for the Mid West Prep Hockey league Playoffs. The MPHL, as it's known for short, is our American leag and has us travelling to places like Chicago, Cleveland, Pittsburgh, Lake Placid, and Buffalo. In the quarter-finals we were matched up against eventual winners, Lake Forest Academy of Chicago, and gave them their toughest game of the weekend. Although we were not the eventual winners to claim the championship next season.

The CISAA playoff run began with Appleby in the Semi-finals, and a two game sweep. The finals brought the team face to face with familiar rival, Up Canada, for the league crown. The Saints took game one comfortably and moved to UCC for a regrettable game two loss. That set up a deciding gathree against an opponent who gave the Saints trouble all year long. Buoyed by fantastic support by a lively student body, graciously made poss by Mr. Staunton, the Andreans certainly came to play on the day. In what could be deemed, the most exciting and satisfying games in a numbe years, the Saints overcame a long bus ride the day before, their 6th game in 6 days, and an extremely hot goaltender to control the game. Tied the game went overtime, and the Saints the weverything at the net. It took until the first overtime was nearly over for Mark Belvedere to squeak to by an outstretched goalie to send our boys and fans into delirium. It truly was an unbelievable way to end a very satisfying season.

Many thanks to the administration who continue to support this group of dedicated athletes, in particular Headmaster Staunton. Also, I'd like personally thank Mr. Brennagh and Mr. Reid and who give their extra time and effort to make the experience that much more rewarding for everyor Thank you to Marnie, for keeping us healthy and keeping the boys in line. And lastly, thank you to Mrs. Perrier, who without, we surely wouldn't me things happen. The time and care she puts in certainly isn't overlooked.

Finally, I'd like to thank our seniors who have given their time, effort, and hearts to continuing the tradition that is St. Andrew's College hockey. Name Ryan Besse, A. J. Masson, Clark Rabbior, and Mark McLean one year on 1st, one championship. Neil Blunden, Calum MacLeod, Malt Sollows, Gracey, François Alexandre Toupin, and Lucas Boyd, 2 years on 1st, three championships, and Morgan Bonner, 3 years on 1st, 5 championships. The you for the memories and your efforts will not be forgotten.

- David Manning, Esq.

MVP Morgan Bonner

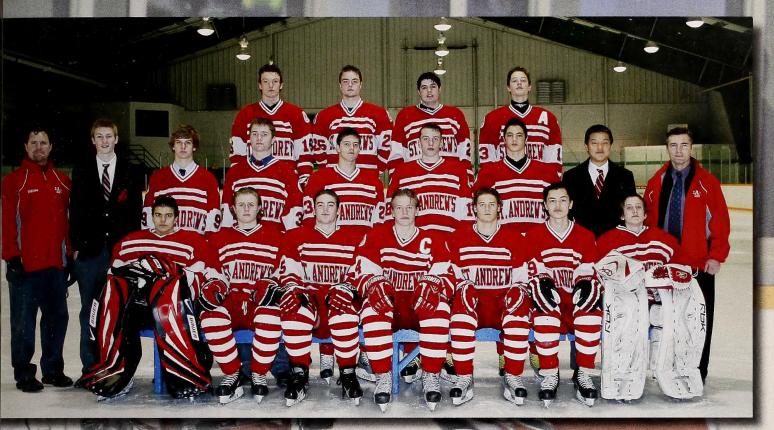

MIP Leland de Langl

## Junior Varsity Hockey

At the beginning of the year, Mr. McHenry and I knew we had our hands full. During tryouts we would routinely see our veteran players admiring themselves in the glass during drills to see how good they looked. Many of them spoke their own strange hockey language screaming things in practice like "I'm gunna throw so much sauce it is unbelievable"....or.... "that is so disgustingly filthy"....we had no idea what they were talking about half the time.

What we did know is that we had a very talented bunch of players. Probably as talented a group as the year before that only lost 3 games all season. What we didn't know was how good of a team we'd have as there is much more that goes into a good team than talent alone. What we quickly learned was that we had a team that loved playing together, and definitely played to win. We were indeed a true team.

Front Row - Hayden Neuman, James Mildon<mark>, Luke MacLeod, Mark McLean, Matt Sovereign, Tyler Sikura,</mark> Matt Carter

Third Row: Jonathan Cannon, Reese Foegele, Taylor Joseph, Cameron Kearley, Lucien Li, Dylan Graham.

The highlight of the year came in our last regular season game when we saved our best game for last. We played St. Mike's in their barn and defeated them 4-3. I won't soon forget this game as this was the finest game we played all year. Defeating St. Mike's in their arena is a special, as it doesn't happen often. However, they would have the last laugh because although we ended the regular season first in our division, we met them in the championship game. Despite the effort put forth by the Saints, this was no contest. Just a week

before, we defeated the Kerry Blues, but now, without our full team in attendance, they dominated from start to finish. Once again, the U16 put forth a valiant effort, but come up short. However,

it really was a tremendous season, one that we should be very proud of. To go 9-1 and defeat our arch rival for top spot is tremendous. Well done, boys, and a huge thank you to our Captain, Alex Mills, and Assistants, Erik Bradford, Andrew Papousek, Matthew Roy, and Jon Cannon. Also, I would like to

thank Konstantin Bogdanow, our Manager, who did a great job for us this year.

Graeme Allison

Third Row: Jacob Kearly, Nick Moutrey, Burke White, Conner Rowntree, Spend

Harris, CJ Siftor

Missing: Mr. David Galajda Esq., Mr. Ben Kitagawa Esq.

14 hockey had a great season, our season record was 11 wins, 2 loses and 2 ties. In those 15 games we had 80 goals for and only 38 against. We lost the CISAA final to St. Mike's in a closely fought game but did manage to give them their only loss of the season at our Early Bird tournament – so, all in all, a very successful U14 hockey season. And now for our Top 6 season highlights.

6. Graeme Allison – our player/manager. He was the only Manager who earned a point over the season - one game he is managing and the next he's on the ice. Thanks for your efforts Graeme – both on and off the ice.

5. The 'dangle' line of Nick Motrey, Jordan Dunin and Jon Adams – they combined for 61 points in 25 games and were simply amazing with the puck.

4. The 'fast and furious' line of Warren Foegele, Christian Settino and Liam Neuman.

Their need for speed dazzled other teams as they combined for a total of 51 points.

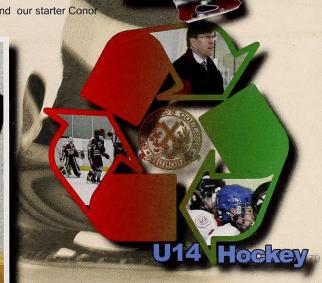

3. The 'kid' line of Sam Harding, Jake Sterling and Liam Killops – all first year play ers on our team, combining for a total of 31 points.

 The rock solid defence of Jacob Kearly, Burke White, CJ Sifton, Jon McConnell, and Tristan Joseph. They played a very physical game in ou non-contact league...making their opponents look over their shoulder of more than one occasion.

The goaltending duo of back-up Spencer Harris and our starter Conor

The 2008-09 season was one of high expectations for the 1st Basketball team. The majority of the players were in their final year and were anxious to add a championship banner to the rafters in Bedard Gymnasium. In order to improve the quality of the program here at St. Andrew's, Coach Ludwig and Coach Godkin introduced Sunday practice sessions, mandatory Monday study sessions, and Monday evening practices to effectively quadruple the full-gym practice time allotted to the team. The team responded well and improved tremendously throughout the year. The coaches could not have asked for a better group of young men to work with, as they were all ready and willing to give 100% effort in every practice and game.

The 1st Basketball team enjoyed a fantastic season that was highlighted with great wins over UCC and Ridley and solid showings at a variety of tournaments. Their final record was 18-9, and 8 of those 9 losses were by less than 10 points. One of the main highlights of the season was a game against Dawson College, a 'AAA' club team from Montreal, whom the Saints played a very close game against in the finals of the St. Andrew's tournament and lost by only 8!

Unfortunately, with just three games left in the season and a near flawless 10-3 record, the season took an unlucky turn as Ryan Ball broke his wrist in a spectacular fall after his fourth slam dunk of a game. The Saints had their work cut out for them with three regular season games remaining, but they managed to battle hard and secured a second place finish in the CISAA league. The following week featured two heartbreaking losses to eventual CISAA Champions Ridley College in the CISAA semi-finals and Cardinal McGuigan in an OFSAA qualifying match. Despite a disappointing finish to the season, the Saints achieved their potential this year and should be incredibly proud of their efforts. Best of luck to all of the graduating players as they move on to pursue new opportunities!

Inder 14 Basketball had another exciting season this year. Despite our early season struggles, every player gave his best effort at all times and never conceded defeat. This never say die attitude and work ethic were dramatically emonstrated when we played Hillfield for a second time. The first time we played them they beat us by fourty points and ewere never really in the game. The next time we played them, at the end of the season, they needed a win to get into explayoffs. They pressed us the whole game and everyone of our players played their hearts out and we managed to sen them all the way, only to loose a close game in the dying minutes of the fourth quarter. The highlight of our season was a trip to Ashbury in Ottawa, for a tournament against teams from Crescent, Sterling Hall, and Ashbury. We went undefeated and returned home champions. Aman Nasser was named tournament MVP. The season was Quinton Coetzer who improved greatly throughout the year and in Ottawa dominated the boards and scored at will!

id scored at will!

or MVP was a very tight race between two players, our point guard Amen Nasser and our leading scorer and rebounder ik Kimmerer. Both were very worthy of the award. In a very close decision our MVP was Erik Kimmerer.

On Monday evening during the post game interviews of the NCAA Men's Basketball National Championship game, Coach Roy Williams of the victorious North Carolina Tar Heels said that he was the luckiest man alive for having the chance to work with such a fine group of young men As the coach of the less high profile St. Andrew's College Under 13 basketball team I consider myself to be no less fortunate than Coach Williams The College's youngest basketball team was a true pleasure to work with. Their good nature and dedication including a multitude of early Saturda morning commitments was a testament to their character and passion for the game.

Our two main highlights of the season were:

Our chance to travel to Strathcona-Tweedsmuir School near Calgary, Alberta to participate in the CAIS National Tournament. In addition to some great basketball, the players had marvellous experiences with a trip to Sunshine Village in Banff along with the chance to billet with hor families from Alberta.

Our second highlight were the great games against Hillfield Strathallan College. Their team went on to capture both the CAIS and CISA championships and our 3 point loss to them on the final day of our season was a game I shall not soon forget.

I would like to thank all the members of this year's squad for their efforts and especially our captains Nav Cheema, Christopher Egi and Quintin Gray

A special thanks also to Zohair Rahman who came out to cheer us on and I know how much the younger students appreciate that gesture.

It is my pleasure to present the MIP award to James Richards and the MVP award to Christopher Egi. May I ask the boys to come forward to

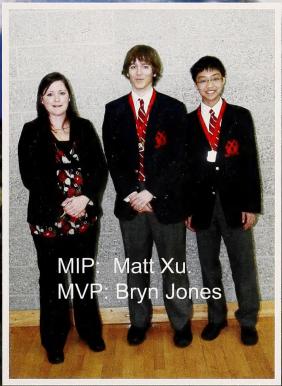

Front Row: Mrs. Melissa Ramon, Esq., Matt Xu, Bryn Jones, Ryan Coverdale, Grant Pollock, Mr. Bill Bennett Back Row: Quinton Bell, Dylan Pugliese, Mitchell Arnold.

his year marked the 3rd season of the SAC curling team's participation in CISAA. At our first practice in November, with a dedicated core of returning curlers, I was beful that we would continue to mature as a program and that we would see some od results for our efforts. The team leadership was also optimistic because we knew at a number of club players in the league had graduated and that teams in the CISAA uld be much more evenly matched than in previous years.

th these things in mind, we began our season of regular league play with high pectations. We faced some old rivals from Crestwood and some new talent from CDS, nen our league play schedule was finished, both of our teams sat atop their pools h 9-1 records, an amazing result! What put our curlers at the top was consistent play d a willingness on the part of newcomers to learn from those with more experience d to use every practice as an opportunity to improve on their skills.

fortunately, our draws in the playdowns were tough. We were unable to adjust to conditions at the Annandale club until late in the day and by then, we were out of attention for top spot and a chance at OFSAA.

gardless of our finish in the CISAA final, it was a very successful year overall. Our ationship with Tim Horton's was strengthened and we were able to introduce a new oup of SAC students to this game. I wish the returning team members best of luck xt year. I'll be following your progress closely!

hile our Level 1 team struggled with consistency this year, our level 2 racers were far more successful, competing in all of our races and ultimately finishing 3rd behind a team which would go on to win Bronze medal at OFSAA. I must commend all of our athletes for their diligent and dedicated effort this year, and both I and the other coaches are very excited for the future given the amount of talent currently moving up through our junior and developmental teams.

:Juan Scun

From the very beginning of the season, the members of the U14 Alpine Ski team showed enthusiasm and dedication to the sport. Their hard work during dryland training was demonstrated through rigorous stair climbs, balance, lunges and even plyometrics. Their positive energy and ability to work together as a team easily transcended onto the ski hill. This season, we were lucky to have an early snowfall, so that allowed the team to hit the slopes 3 times before the Christmas holidays. During those 3 practices, everyone showed a vast improvement in their skiing abilities. Even without much racing experience, and many Grade 6 skiers on the team, they were always competitors. In their 4 races, they were faced with a variety of conditions, but they always managed to successfully manipulate the course and come through a strong finish. Their final 4th place standing is a real accomplishment for such a young group. This team shows much promise for the future of the SAC U14 Alpine Team, and is sending up some strong skiers to the Upper School team.

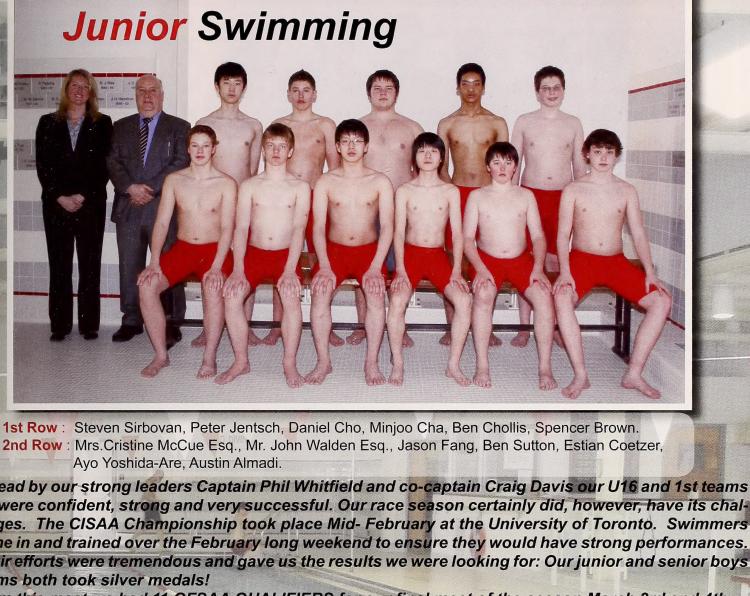

t CISAA championships, the Saints ski team came through even stronger, sweeping the novice boys race with Ryan Shotbolt (Gold), Owen McCleery (Silver), Calvin Au (Bronze) and Nick Whitelaw with a 5th place ribbon. Indon Zhao came through with a Gold Medal in the Junior Boys and qualified for OFSAA, although being in Grade 8, was actually too young to participate at the OFSAA level. Our Senior Boys team won the Silver Medal with our top 4 dividual results of Harrison Kane (4th), Ryan Cole (6th), Mick Carr (7th) and Jordan Slaman (12th). Most impressive as that for the first time, SAC had 4 skiers qualify for the OFSAA Championship and two of them had just started ordic skiing for the first time in December!

e Nordic Ški team had a tremendously successful and enjoyable season this year. Fifteen boys, ranging from G8 to

ir efforts were tremendous and gave us the results we were looking for: Our junior and senior boys as both took silver medals! In this meet we had 11 OFSAA QUALIFIERS for our final meet of the season March 3rd and 4th. In Silver of Silver of Silver of the Silver of the Open catery.

MVP - Andrew Chong, MIP - Chris Adams-McGavin.

We began this season with the confidence of having won the championship the past two years row. But with only 3 returning players, we had to be the most improved team in the league to again. We started the regular season very strongly winning the early bird tournament with a tol 97 games which was 5 better than the previous year. What emerged from the early bird was that competition was clearly TCS, who were in a close second place.

So, with improvement as the key to our success this year, Andrew Chong, our MVP and co-capt could have been our MIP as he moved from #8 last year to constantly challenging Ander Lanzagi and Kent Leslie for the #1 spot. I believe that both Ander and Kent actually held the #1 rank more to Andrew did all year. In the finals, Andrew ended up winning more games in than any #1 ranked pla from SAC that I have ever coached. He won 9 of a possible 12 games against several provincial national level tournament players.

Our MIP goes to Chris Adams-McGavin who leapt from #6 on U16 last season to #4 on Varsity year. I once heard a saying that "Failure is the mother of all success." Well this applies to Chris one of the tournaments Chris competed in this year, Chris was schooled by a young provincially ran player. Chris was furious with the outcome for several reasons; but what really matters is that C learned from this experience and gained insight and focus. In the next few weeks he defeated Ma Lo, Jack Bang, John C. Lee and YongJin Kim to raise his rank from #8 to #4. He then proved ac that he deserved this ranking after he won all his matches in the final tournament. So, from Chris a on down, we dropped only two of a possible 72 games.

Yet, the final outcome was much closer than most people expected. TCS, like us, has a str development program and they also won most of their matches from rank #4 down. So, to win, we to beat them head-to-head. In league play we topped them 5-4, then 6-3 and in the finals 7-2. Tall the final statistics gave us a total score of 96 games won to TCS' 88.

At the end of the final tournament several coaches were asking our players how many of them v returning for next year and they were disappointed to hear that all but 1 or our top 9 are back! Last we graduated 6 of our top 9, and still managed to reload and prevail. Next year, if our guys continu challenge each other every week and play in provincial tournaments, we will continue our success

e squash league format is unique in that we keep at least 16 players, play weekly with 12 players, but the final tournament includes only 9 players. To get your best the final day means we have to keep things competitive at all levels all season, story that captures our program's overall success is that of the Seto brothers, are Zack in grade 9 played at #9 and Alex, in grade 8 played at #10. No player or grade 10 has ever managed to hold onto a top 9 ranking, yet Zack and Alex are determined to fend off all the grade 12's, 11's and 10's that challenged them. In the end, was our last man at #9 and he played his best squash of the year in the finals, ating an athletic football player turned squash player from TCS. I still remember that rallies with Zach forcing his opponent to dive all over the court in a furry with calmly focused in the centre of the court in complete control. Alex went down to be the forther top spot on U16 and earned the #1 ranking and, as you heard from addini, it was his two incredible victories that pushed the team over top as they aged to defeat Appleby with a total of 84 games to 81.

ks to Mr. Reid the convenor of our league for putting together a great schedule hanks to all the faculty and staff who come out to play with the guys.

oday we really celebrate the fact that we are a championship program and have ad Gold at all three levels for three years in a row. Please join me in congratulating service, Mr. Paolini and all the players on their successful year of squash.

Fernando Mijares, Alex Conolly, Mr. Jon Butcher Esq.Mr. Greg Shields Esq. hile, on the record books, this was our worst rugby season in many years, it was still a great season, and a season that many other schools would love to have. We started early with a core group of

players working hard in the off-season to improve strength and fitness. We then took a group to California for an amazing tour experience which included surfing lessons, a stroll down Hollywood Boulevard, and a

tough match against eventual State Champions, the LA Cougars.

We were proud first time hosts of the CAIS National Tournament in April but finished a disappointing 11th out of 12 teams. Many thanks to Mr Reid, Mr. Manning, Ms Roberts, Mr. Inglis, Ms. Richer, the rest of the rugby coaching staff, and the many others involved in making it such a success for all our visitors.

In league play we developed nicely as a squad finishing second in the East Division, but an early season loss to CDS meant we ended up facing an incredibly strong TCS in the semi-finals. The game was much closer than the lopsided score indicated - we actually played some of our best rugby of the season

TCS were the highest ranked AA school in Ontario and we are honoured to have them represent the CISAA at OFSAA.

It is surely no coincidence that our weakest season in years was also

program.

first year we have had not a single club player

on our team. Lacrosse and many other chempionship teems have a sizable fraction of their players with club experience. Players who want to contribute to our 1st Rugby program are encouraged to get out there and play summer rugby. Club rugby is available across Ontarto at all age levels - Gr 5 and up! We need a core group to get this crucial summer

n old Japanese curse and the ffend by saying:
"May you live in interesting times." I can assure you, my young friends, the Upper School track and field season was indeed, interesting. In many a varied setting, your intrepid Andreans ventured forth fast of foot, strong of arm and big of mouth. Together, we braved driving rain, harsh winds, burning sun, and T's

lame jokes. In exotic arenas as such as Midland, and in places both lovely and scenic such as Jane and Finch, we sprinted on ubber, vaulted over bars, hurled steel balls, and discs, leaped into the dirt and chucked some javelins. At the end of this vainglorious campaign, some stood on the podium

of the victorious, some lowered their heads in the posture of the vanquished, and others sat around listening to their ipods. Indeed, this track and field campaign was interesting to say the least.

Highlights of the season included Gold Medals in preliminary meets by Estian Coetzer in shot, and William Egi in the 100 meters. Ross hinds was a double medalist in Midland in the 100 meter dash and in shotput.

William Egi broke 2 meet records in the 100 meter dash with times of 10:97, and in the 60 meter dash with 5:96. With this, he has also broken St. Andrew's records in the 100 m. and in the 200 m. William Egi, Estian Coetzer, Damian Gray, and Ross Hinds all earned a places in the Metro finals, where our stron-

gest competitors were Estian, 7th in Shot Put, a in Ross Hinds in the same event in with a finish performance that would even make Gaylord Foot proud, 9th place. Our team was led by the wisd and incomparable character of Mr. Tsioros, who the world of Track and Field coaching is a kind Greek Yoda. He will present the awards for our thr divisions of Competition

In the Midget category, our most improved athlete Spencer Feeley and our Most Valuable Athlete Ross Hinds. In the Junior category, our most improvathlete is Damian Gray and our Most Valuable Athlete, William Egi And, finally, In the senior division, to most improved athlete is Andre Goyo

The Jr. Track and Field team had it's most successful season ever over the five meets we competed in this year. In the CISAA championships, the U12 boys finished 5th overall based on a strong team performance while our U13 boys finished 5th overall based on the efforts of, well, superman Chris Egl. Congrats to all team members for a fun and exciting season!

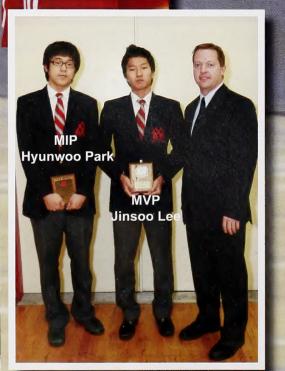

Front Row: Ryah Kee, Jinsoo Lee, Martin Lo, Buddy Lapierre, Mr. Gary Godkin E Middle Row: James Lau, Jason Kim, Joshua Si, Gene Chan. Back Row: Hyunwoo Park, Boris Lo, Tanat Ratanakosum, Jerry Chu.

Ve started the season with approximately 30 students vying just seven spots, three singles players and two sets of doub We quickly narrowed the team to 12 very talented players and the end of our second week of practice we attended the CIS OFS qualifying tournament where our First Doubles team of Jinsoo and Jerry Chu battled hard to earn a spot at OFSAA Badmin as one of the two CISAA doubles teams. Their efforts at OFS in Sudbury were equally impressive where they were elimina in the quarter finals. It was a disappointing loss as they mis guaranteeing themselves a medal by just one point. However, future looks bright as they will both be back next year and I he to see them avenge their loss and bring back some hardware.

The regular season flashed by and just last week we attended CISAA championship tournament, with our best chances to me in doubles. Ryan Lee and Martin Lo handed in our best show winning the silver medal in Second Doubles. Jerry and Jin played extremely well, but ended up losing the gold medal game the third set and then, frustrated and disappointed from their load not have a great showing in the match for silver and earned bronze. Josh Si, Hyunwoo Park, and Tanat Ratanakosum all strong showings in First, Second and Third singles, earning place finishes. Just to put in perspective the level of competitat this tournament, Josh Si lost his final match to the National Champion and there were two players better than this individed I would like to thank the entire team for their dedication hard work, especially the graduating players, Boris Lo and Ta Ratanakosum.

ck Row: Nick Moutrey, Kenny Hilton, Jake Sterio, Brett Allen ont Row: Danny McConnell, Torrey Glendinning, David Anderson, cholas Crozier Missing: Mr. Don Finlay, Esq.

The golf season started last September with the qualifier for the OFSAA. It was a very competitive event where we finished in third place with only 6 stokes separating first from third place. Clubs were put aside over the winter but the team started tuning up over March break with their trip down to Orlando (thanks Mr. Kitakawa). At the end of April we had our first tournament hosted at Angus Glen where we finished in fourth place out of 12 teams.

We regrouped for the tournament at Penn Lakes where we finished in 3rd place. This was followed by a tie for first place at Piper's Heath and a first place finish at our home course overall. The final championship tournament took place at Tangle Creek where once again a very competitive competition took place. We ended up in 3rd place 8 strokes out of first place.

Individually the scores of the players were impressive. Adam Shaw shot the lowest round of the year for our team with a

75 at Piper's Heath. Every player improved over the course of the season with the average score for the team over the five tournaments being 80.5.

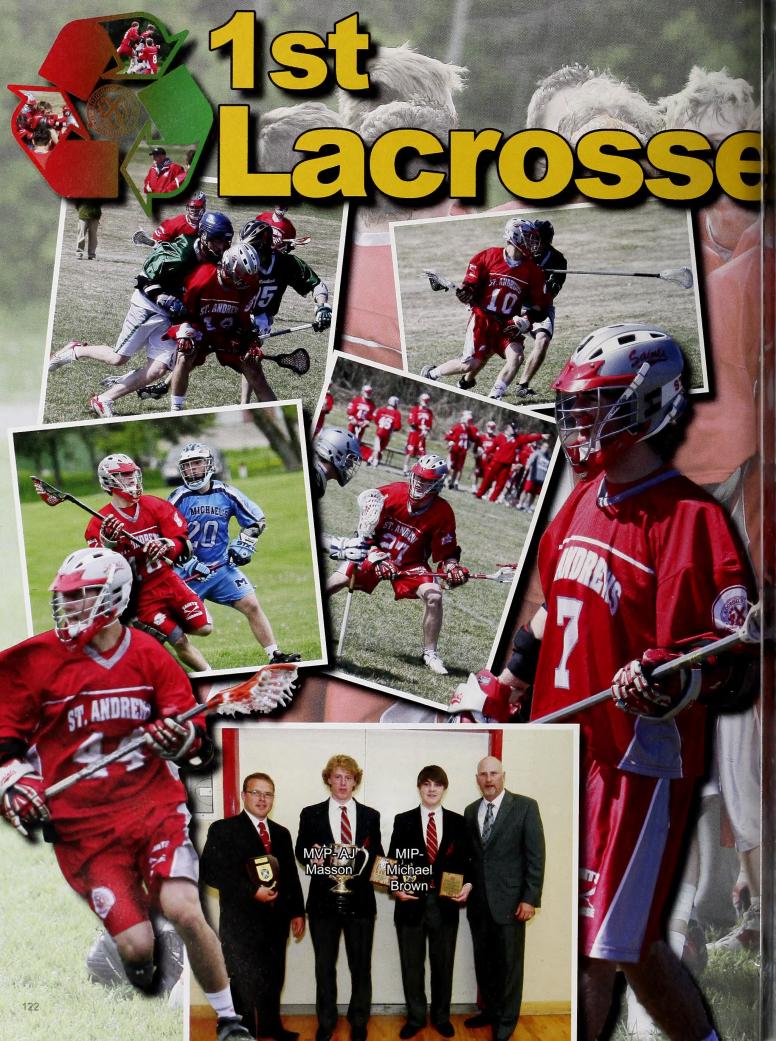

While we have had a good season, I'm sad to say we will be losing 4 of our 5 man team. Special thanks to Corey Morrison who has been with the team since grade 9, Mark Jenkins since grade 10 and Sam Millette who has been a member of the team for two years. Corey finishes his career at St. Andrew's with an average score of 82.75, and Mark and Sam with averages of 81.5. Lastly, we will be losing Adam Shaw who will not be returning next year although he promises to return for his grade twelve year.

Tennis is one of those sports where the success or failure for the season is decided in one day, and that is the day of the Finals tournament. On this day, all the teams in the league get together and play in a tournament to determine the champion.

league get together and play in a tournament to determine the champion. Our expectations for this year were rather modest. This is one of the best teams we have had in a long time, but despite that, we ended the season ranked # 5 out of 8. We found that the Toronto based schools, such as Crescent, UCC,TFS, and Greenwood, were a definite notch above, and they beat us soundly. For the tournament I knew it would be a challenge just to keep our 5th place ranking. In the tournament, our first opponent was UCC. Last time we played them they beat us 4-1. For some reason, playing UCC always seems to bring out the best in us, and in the tournament, we managed to beat them a score of 3 to 2. With an impressive performance by Alex Marchenko, playing at #1, Alan Daniels at #3, and the 1st Doubles team of Dylan Hussey and Sapheer Somani. In the next round we had to play Crescent, which was the #1 ranked team; we lost 5-0. However, we were now in the semi-finals, and were scheduled to play TFS for 3rd place. During the season they beat us 4-1, but here we managed quite a turn-around, beating them 3-2.

n though the U14 Tennis Team had a slow start to the season due to the snow and the rain which delayed the formation of our team, we still had one of the In though the U14 Tennis Team had a slow start to the season due to the snow and the rain which delayed the formation of our team, we still had one of the congest teams I have seen in the last 10 years. Throughout the season, we defeated Bayview Glen, Holy Trinity, Appleby and Ridley with ease. UCC's two teams more of a fight, but we managed to defeat them too. These strong finishes put us in first place going into the CISAA finals. This was quite an accomplishment pass Sterling Hall, Crescent, and UCC which are normally the top teams in our division. Unfortunately, despite our first-place standing going into the finals, for reasons, the final day was not meant to be ours. Even though we were disappointed by the results, there are 2 main points that I want the team to remember: The point is that the CISAA was a snap-shot of your season.... and it was not an accurate one. This loss should not by any means cloud your impression of how great three season was. And the second and most important point is that winning is easy. Life is good when you win. But to say that life is good when you try hard, ill don't win is difficult. It is only in the losing and in the disappointment that life brings where true character forms, growth occurs, and courage is demonstrated. The reading their emails on the conference afterwards. I can testify that they were able to say that even in the losing, the day was still good, and the season was gh reading their emails on the conference afterwards, I can testify that they were able to say that even in the losing, the day was still good, and the season was resome. What my team did obtain from the finals was far more valuable than any trophy that they could have brought home.

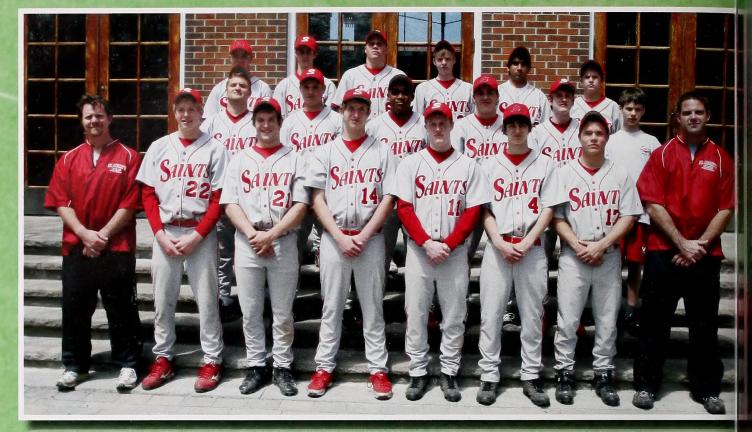

ck Row: Alexander Schwarze, Sapheer Somani, Kyle Barber, Zain Hemani, ont Row: Ms. Tiffany McGregor Esq., Marc Gallo , Alexander Seto, Zachary Seto, Ricardo Diaque.

was a very exciting U14 tennis season. Alex Seto was our third singles guy, quickly moving up from a sub, as he demonstrated his strength and motivation improve and maintain consistency, and to develop his abilities as a trickster, even in the face of three tie-breakers. This included a very stressful point-formatch against psycho-boy, who thought he was at Wimbledon and yelled out something random after each shot, and shot and slicing his way through very tough competition. All schwarze was our first singles player. All plays a very tough game, really when he is awake. He faced all the 'country club' kids and never balked at the competition. He was always fair and friendly with his opponents, nor what the outcome. The second doubles team of Ricardo Diaque and Marc Gallo, aka the Harlem Globetrotters of Tennis, played some very strong and rous matches. They worked really well together, Diaque killing at the net with his cat-like instincts, and Gallo making aces with his long, powerful shots. Zain in stepped in as a sub for Gallo. He is a very positive and motivated player. His consistency improved over the season, especially with difficult long shots, erves. By the end of the season he was gaining much time as 'King of the Court'.

Rajan was only able to play the first match, due to his commitment in the paige program, but his strength, teamwork and motivation were evident from the

rst doubles team of 'big Seto' and Kyle Barber were always positive and encouraging to each other, and to their opponents. It is no wonder that their attitudes bilities won them all but, I believe, one victory. True teamwork was always evident.

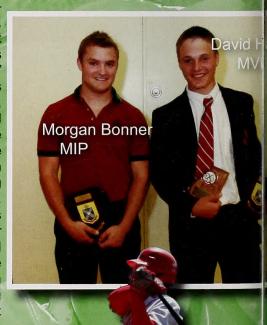

Thank the U14 team enough for their hard work, dedication and positive attitudes. They are all valuable players.

o fully realize the accomplishment of this year's team we must put their impressive feat into context.Mr McHenry brought baseball to S.A.C. 7 years ago, and needles to say that team was not very good. After 2 tough years, he brought myself and Mr. Gurr on board...a shrewd move! Those early teams allowed us to enjoy what we affectionately call the 'lean years' or simply, 'the pretty bad' teams. And although we made an improbable run to the CISAA semi-final 5 years ago, the teams were simply not very good. In fact, if you could throw overhand, you almost certainly made the team, if you could catch, you were a starter, and if you owned your own glove, you were a star for us. To make matters worse Mr McHenry insisted that we wear red pin stripped uniforms. Not only were we bad, we looked bad...kind of like circus performers. In recent years the program has turned a corner as more ball players have selected baseball as their spring sport. In fact we've made the CISAA semi-final in each of the last three seasons. After loses to Nichols and St. Mike's in the past two season semi-finals, the boys vowed that this time the outcome would be different. St. Mike's who had never lost to SAC in baseball thought they were going to steamroll us once again until they got a glimpse of Saints Ace David Head on the mound. In the semi, Dave tore through their line-up time and time again, leaving the game in the 6th with an 8-0 lead. A few scary moments in the 6th and 7th set up two beautiful running catches in deep centre field by Matt Carter resulting in an 8-5 win and our first ever birth in the CISAA final again perennial powerhouse Nichols. Against Nichols, we were ready to attempt to win the our first CISAA title baseball and have our name etched on the painfully blank white board up in the corner of the gym. We started Griffin Lacey who responded by shutting down the potent Nichols line-up allowing 1 hit through 4 innings. He left with a surprise 2-0 lead and turned the ball over to Dave Head, the Ace. Pitching on only 1 day's rest, Head was up for the challenge, mowing through the first 8 hitters he faced setting up a showdown against Nichols' best player in the bottom of the 7th. On a 3 balls and 2 strikes count, Head reared back and threw a fastball by the Nichols shortstop to cement our first CISAA championship. It was a fitting end to a remarkable season.

Mr. Jon Bezanson, Esq.

As short a season as it was, the boys improved dramatically and always played their hardest. We had nothing but a fun and positive attitude while learning and playing the game. It may be hard to believe, but the weather cooperated more this year, although it still limited our practice time. Maybe one year we can get in more practices than games. We finished with a 3-5 record placing 5th overall, but were one out away from third place. That having been said, no one ever complained about guys making mistakes or even bad weather. When lacrosse canceled their game our guys toughed it out in the hail, and lacrosse is supposed to be a tough mans' sport. We showed a lot of heart and our baseball program will only be stronger if we continue to have players who work hard like we had this year.

irst Varsity Cricket had a wonderful season of camaraderie and skill building, enjoying indoor practices at various local along with mid-April access to our cherished home field. Preseason games went well, evenly balanced in the win - loss colling highlights included John Hopkins 55 retired at TCS. Unfortunately, as the league began, we lost a number of players (for "vareasons) and had to madly scramble to bring in new athletes to fill out our depleted roster. Many thanks for Taylor Bryce, Ber Ryan Coverdale, Matt Mac, Muhammad Salyani and others who tried out and helped us to field a competitive squad. Our call and MVP/MIP recipients, Namir Rizvi and Andrew Merkel, showed tremendous leadership growth and patience with their team-mates, impressing coaches Kyle and Gomes as never before. Strong bowling performances from young students Bhardwaj (grade 8) and Nav Cheema (grade 7) anchored our attack and bode well for promising future seasons. After winning league championships in our previous season, we thought missing out this year (with close losses to UCC and TCS) would be negative, but it was not to be, as spirits were high, attendance was at an all time best, and participation was strong throughout coaches would especially like to thank their captains for all their efforts and co-operation during the campaign. We look forw a new season of revamped rules (shorter games, etc.) and a new mid-season tournament of "20/20" matches to inspire a new of Andrean cricketers!

I have only been at St. Andrew's College for two years now. What I can say is that it is a place of tradition, heritage at brotherhood. At first it was hard to identify myself as part of the "SAC" community. Chapel, kilts, and all of the other thing SAC associates itself with can be very overwhelming to an outsider at first. Over time it became more comfortable if me to say things such as "We pride ourselves on creating the complete well rounded man". School clichés and motto become your own as you sit, eat, belch and wear sweltering hot scarlets together. The school incorporated me to the extent that I am willing to defend our heritage and tradition to others who associate us as an "average private school Community is not simply about coming together as a school. As Andreans I have seen that we will help not only of friends, but those that are our "brothers". It does not matter if we like or dislike each other outside of school, inside every Andrean supports one another. The sense of community that St. Andrew's College has instilled in me will be profined by the long legacy.

Brandon Aghaman St. Andrew's College has instilled in me will be profined by the long legacy.

Activities: 1st Rugby, JV basketball, Model UN, MacHouse Captain, CISMF, String Ensemble Although there are many things in life we cannot control, I am truly grateful that I had a opportunity to attend St. Andrew's College. I have never regretted my decision in staying here for what seemed like a very short four years. The friends I made here, the experiences that I went through, I would not have been able to do it anywhere else. I truly thank my parents, my friends and teachers. There are many memories and experiences that I had in Memorial House and I will never forget them. I want to thank Mr. Perrier and Mrs. Perrier, my Housemasters. I believe that I can leave St. Andrew's College as an all-around person. It have been an unbelievable time while I was in SAC.

Sung JaeAn

A long-standing Andrean, Mitchell has been in the Pipe Band for 5 year and was Pipe Major this year. Although he has played on the soccer field, he prefers the ice: a member of 1st team Curling he is also a keen figure skate. But his six years at SAC have passed too quickly: Mitchell is postponing his offer from the University of Waterloo to return next year for what will clear be a victory lap.

MitchellArnol

Mitchell

Mitche

This two year boarder with natural talent, played both sides of the line for First Football. He also played First Rugby. Academically, Tolo was a scholar who excelled in maths. He leaves St. Andrew's College with many good friends and memories.

ToloAuva'a

Activities: First Football QB, Captain, Addison Award & MVP, Flavelle's Head of House & Company Lieutenant, Top Scholar During my short two years here at St. Andrew's, I have made a lot of close friends and memories that will last a lifetime. I've experience more than I thought possible in two years, learned some important life lessons, and have grown as an individual. SAC has given no opportunities I never thought I could have, and I will be proud to be an old boy. SAC also presented me with challenges at times, be that is just the nature of the beast. A shout out to all my friends that made my experience here what it was, you know who you are would like to thank all the teachers, coaches, and peers that made my experience here such a memorable and enjoyable one. Mo of all, I would like to thank my parents for allowing me the opportunity to attend SAC, and supporting me along the way. Without the I could not be where I am today. Congratulations class of '09, and best of luck in the future.

**MaxBaue** 

Ryan joined the ranks at SAC last year as a day student in Ramsay House. He quickly became popular for his athletic abilities. He has had a busy schedule: a Captain with Varsity Football, he also played First Hockey and Lacrosse for two years. Next year, Ryan will be going to the Arts program at the McGill University.

# RyanBesse

cknames: Eels, Dart, Binger, Jhunter Activities: Terminal Towers as Mr. Walden, CAIS Rugby Captain, Flavelle Warrant Officer vill always remember the days of my St. Andrews career as I near the finish line of a race that started at 8:10 a.m. and ended at 6:00 m. for most days of the last 4 years. My career in particular consisted of making the most of classes, cracking jokes to make laughs nich unintentionally got me kicked out of class, but St. Andrew's isn't about the class room it's about the people and the parties and e trips and the sports that make this place what it is. Over the years I've developed a strong relationship with many boys whom I've ared good times with. It's been a great time and would not be the same without the class of '09. I'll never forget carol service crying the arms of Mark Mclean, France with Michael Goitanich and Adam Moryto, room chills and NHL '09 with Sam Millette, all the good nes with Graydon Calvert at 10 Dell Glen, and every heart to heart with Bobby McDonald.

#### **Elan**Amaev

Nicknames: Ando, and there's one that I got from a trip to Italy I can't really say here.

When I first came to St Andrew's in grade 6 I soon realized that it was different than any other school. There was so much energy, spirit, and tradition. I remember so clearly my first homecoming, first carol service, first Macpherson, and Mr Kyle's grade 6 homeroom class. I remember when U-15 soccer stayed together for one more season, after a disappointing loss in the previous years playoffs, only to win a CISAA championship in a shootout. I'll never forget my last time drumming in Highland Cathedral at the Carol Service, cadets in concert, the last fanfare during the half time at cadet inspection, and mostly my last homecoming, coming back from behind and then beating our rivals, Upper Canada College, in overtime. My time at SAC has been full of so many unforgettable memories. I'll always remember the fun times with the guys over the years. Italy 2007, Battlefields Tour, California, Atlantis, Collingwood, Dr Newton's cottage on May 2-4 weekend, the quadrean, truckbombs, Malawi, formal, the grad prank, and so many more. To all my friends and fellow grads, (I don't want to miss anyone so you know who you are) good luck wherever you all end up and I'll see you soon.

## **Michael**Anderson

is not the beginning number or the end number that counts, it is what you can fit in the dash in between." rom 2002 – 2007, I have been at St. Andrew's College. Coming through the St. Andrew's gates as a little rade 6, and now on Prize Day, I'll be going through the same gates not so little anymore. During my seven ears at St. Andrew's College, I have learned that seven years is not a long time, however, in that short time nave grown a great deal. In the dash in between I have been graced with valuable lessons, great friends, and hopefully this has prepared me for university. I want to thank my parents for supporting me throughout y career at S.A.C., without them I would never have had this opportunity.

#### vlerAron

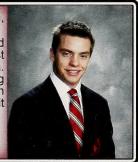

Amodel citizen and mature young man, Ryan has made the most of his five years at St. Andrew's College. School Prefect and valuable member of three Varsity teams; First Soccer, First Basketball and First Tennis, while maintaining scholar status. Ryan received offers from every university he applied to and has decided to study Biomedical Science at the University of Western Ontario en route to pursue a career in the medical field.

RyanBall

licknames: Beck, Alberta Activities: HACIA, Australian Exchange, MacBeth, Focus, Football, Baseball, Triathlon, lockey manager, Weight Room Moderator, Honor Roll

If time at SAC could be described a lot of ways, perhaps the most fitting description would be to say that it was a period f many firsts. First time pulling an "all-nighter" studying. First 12-hour bus ride. First time completing a triathlon. First me winning a championship. First time in a major play. First time I achieved a 90% average. First trip to Australia. irst trip to Mexico City. First time meeting someone from Switzerland, Spain, Serbia, Germany, Thailand, China, Hong ong, etc, etc. The list goes on almost indefinitely. I can't think of any other place that allow you to experience so much such a small amount of time, that is what truly makes SAC such an incredible place. My time here was as fun as it was memorable, and certainly will not be forgotten.

## Hayden Beck

It is hard to believe that my time at St. Andrew's College has already come to an end. In my two years at the school, I have had the privilege to meet many outstanding individuals and I have so many fond memories of SAC, memories that will last a lifetime. First, I would like to thank my parents for their endless support. I would also like to thank my teachers and coaches who have helped me develop in to the young man and athlete that I am today. From early morning practices to Cadets after school, St. Andrew's College is a remarkably unique institution and I consider myself very fortunate to be an SAC alum. Congratulations to the class of 2009 and I wish you all the best in the future.

**Neil**Blunden

With three years on Varsity hockey (Captain & MVP this year), two years of Varsity Foot (Captain this year), and one year each of Varsity Rugby and Baseball, Morgan has be a standout participant in athletics. Not one to blow his own trumpet, he was voted at Grad Dinner last night by his peers to be the Grad Least Likely to Say Something. Morgan has decided to postpone applications to colleges and university and will join other S grads with Surrey in the British Columbia Hockey League next year.

MorganBonne

Leaving St. Michael's College in grade eight was a shock, however St. Andrew's College posed as a new opportunity for me. Over my St. Andrew's career I have met many great people and have shared many great memories. Some of which include the Battlefields Trip in 2007, the Greek Islands Trip in 2008, winning CISAA Hockey Championships in 2007 to 2009, and the MPHL Championship in 2007. I would like to thank my parents for their tremendous support and effort over the years. To them I am extremely grateful. Next year I will be attending the University of Toronto at the St. George's Campus, where I will be studying social sciences.

## LucasBoyd

Taylor, another frequent and welcome visitor to University Counselling, should be pro of his accomplishments especially in his final year at SAC. A prolific university applica Taylor competed for the grad receiving the most university offers, which left him with ma more hours of deliberation and consultation. In the end, though, we are delighted that Tay has decided to attend St. Francis Xavier University in September.

# **Taylor**Bryc

Nicknames: G, G-cal, Cal, Graydo, G-money Activities: First Football, First Rugby, JV Basketball, First Sun-Tanning, Tremblant, California Rugby Tour '09

So...here it is. The past seven years have been an amazing roller coaster ride that I will never forget. The memories and friends I have made here will always stay close. It has been an unforgettable experience that I never would have made it through without the boys I have shared it with. Goits, Millette, Nambo, Bobby, Ando, we've all been here from the beginning and I couldn't have chosen a better group of guys to do it with. Bons, skeez, boyder, sales, philly, ...you guys are the biggest gongers in the league and I'll never forget the memories in Greece and at good oi' 10 Dell Glen. I love you guys for the memories we have made. Elan you are a crazy person too.To anyone I forgot you know who you are and I will always remember partying with you boys every weekend. Tripper, B Wils, Healy, Mildotes hold it down and keep the tradition alive. Every memory made here has been absolutely insane and I would never have imagined the things we did here. The last two years has definitely been a tough go, but it has been one that has made me a stronger and smarter person. Thank you SAC, its been fun. Peace

# **GraydonCalvert**

I would like to begin by thanking my parents and grandparents for giving me the opportunity to attend the school. I am very proud to be the 4 generation of Cathers to attend St. Andrew's College. I will remembe all of the great moments that I have experienced and all of the friends have experienced them with during my time at SAC.

RyanCather

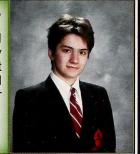

Entering SAC in grade 7, I was unsure of how to adjust and cope with transferring from a public to private education system. The large workload, intimidating peers, and mandatory uniforms were a shock, but I learned quickly that the workload wasn't too complicated, the peers were friendly, and the uniforms weren't too uncomfortable. From grades 7 to 12, SAC has been an amazing experience that has shown me the meaning of an individual, as stated by the school's mission statement. I cannot say whether I am a complete man or well-rounded citizen, but I can say that SAC has set me on the correct path to becoming one. I would like to thank my friends for helping me break out of my quiet and shy phase in Grade 7, without them I would not be the person I am today. Thanks to Ms. Thorne and Ms. Richer for their unwavering support both in and out of the classroom, Mr. Galajda for Biofest '09, and Mr. Scoular for an exciting English class. And finally, I would like to thank my parents for allowing me to have this great experience.

Stepping into MacDonald House as a nervous twelve-year old, I wasn't too sure about spending the next eight months living with three other guys in a cramped up dorm room, let alone to spend the next five years studying at this place they called St. Andrew's College. The early morning breakfast sign-ins, chapel, and most of all cadets – all foreign practices to the grade seven version of myself. However, as those five years passed by, I have come to realize that my time here at S.A.C has truly helped me evolve into a better man. All the traditions and expectations proving to have been invaluable in my growth as a person, and as an Andrean. As such, my advice to fellow students is to appreciate every second you have here and seize every single opportunity, as the friends you make and the times you share with them are what you take with you at the end of your time here. Thanks for the memories St. Andrew's, and best of luck to all future graduates.

**Scott**Christopher

A two year veteran of the school, Victor has been rooming comfortably in Memorial House But he also established his mark with pinpoint accuracy on the fencing team and as a visit and design enthusiast. He earned enough community service hours to graduate, a despite offers from universities in the U.K. Victor has decided to stay closer and go to to computer science program at the University of Toronto.

## **VictorCh**

Activities: Head Prefect, Macbeth, Tony in West Side Story, The Emcee in Cabaret, Puck in Mid-Summer Nights Dream, Focus 2005-2009, Debating Society President 2007-2009, 9th at Worlds Debating in South Africa in Grade 10, Outreach, Malawi, Nordic. I can't believe it's been seven years. In some ways it feels like a lifetime and yet it's gone by far too fast. St. Andrew's College has given me so much and I thank my parents for giving me this amazing opportunity as well as all my teachers, coaches, and friends. I've learned so much through all my accomplishments and more importantly through all my failures. I've changed so much from that hyper little grade six kid who use to run around the school doing incredibly stupid things to the Head Prefect who still runs around the school but this time doing useful things. Some of my favourite memories include Belgium with the battlefields tour, Malawi, Carol Service, Focus of course, and the old days of grade six before laptops and the new buildings. I am and forever will be an Andrean.

## RyanCole

I attended St. Andrew's since grade 6. I played soccer every year includir First Soccer my last two years and won MVP in grade 12. I also playe Tennis for six years including First Tennis my last two years winning MV both years. I was in the school wind ensemble from grades 9 to 12. Sendrew's was a great experience for me.

Nicknames: Kip, Kipper, Kipster, Kipsauce, Kippins, Kippers and Fries, Kippinstein, Skip, Skipper, Shennis

It seems like only yesterday that I entered through those gates in 2003, going into Grade 7. That was difficult first year for me, as I had trouble adjusting to the massive workload, particularly for a young boy who came from a school where that workload was non-existent. From grades 7-9, it was an upward struggle. By grade 10, I was making progress. By grade 11, I finally obtained scholar status and by grade 12, I finally achieved the marks that I had long waited for. To all my friends, both the grads of 2009 and those yet to graduate, you will always be my friends. A message to all of you:

\*\*Quit ye like men, be strong.\*\*

#### Sean Ennis

Activities: Squash, Golf, Bagpiping, acting, studying history and politics

Over the last six years of my high school in St. Andrew's College I've experience a lot things that would not have happened to me if I was some where else. The friendship th I've built over years, the motivation to play with one an other on my sports teams and all the time I spend with my Andrean brothers in my boarding house. They have all became profit of my life since I entered the school back in middle school. Thank you for all the memorie without you guys none of these memories would be as memorable as they will be. I hopeveryone the best in university and great success in the future. Peace brothers.

CruiserFung

Nicknames: Mike, Goits, Ne-be, Glen, Quadrean, Murkinator. Activities: Prefect, Smith House, Outreach, Varsity Football, Varsity Rugby, Varsity Lawr bowling, Varsity Tan Team, Malawi '08, Scholar, Headmaster's Honour Roll, Focus.

It's hard not to smile, or laugh, when I look back on my seven years at St. Andrew's. Since the beginning, in Mr. Kyle's legendary grade six class, the years have been full of great times and unforgettable memories. This place, but more importantly the people in this place, have become an irreplaceable part of who I am. Some of the greatest moments: Tremblant '09, Euro-trips to Italy and France with Moryto, Anderson and Elan, Collingwood, Cali '09, Battlefields, Atlantis, Formal, Paint Lake, U15 soccer CISAA Champs, Homecoming '09, Carol Service, Dr Newton's Cottage, Focus, Dell Glen with Graydo and the boys, Grad Prank and all the other times that I can't mention in this comment. Thanks to my parents for your unyielding wisdom and for the sacrifice that you have made in sending me to St. Andrew's. Peter and D, thank you for always being there for me through the thick and thin. Servayce, Costanzo, Rush, Staunton and Scoular, thank you for the invaluable impact that you have had on me and all the help and advice over the years. To the boys, there are to many of you to name, but you know who you are. Best of luck in the years to come, keep in touch and keep the good times rollin'.

## Michael Goitanich

In has enjoyed his entire high school career at S.A.C. A member of Sifton duse he has enjoyed the vibrant community that he has called home the past four years. John has made a significant contribution in helping revitalize

Fencing program.

His looking forward to his experience in Switzerland next year before returning Canada to attend the University of Toronto.

#### bhn Cockshutt

A cheerful young man, Alex has enjoyed his four years at St. Andrew's College. Commanding Officer Flavelle Company and Assistant Head of House, he has also been a valuable member of First Squash and First Rugby 2008. We wish Alex well as he ventures to England next year to attend the University of the West of England, Bristol.

## **Alex**Conolly

ames: Durst, Dursty, Drama. Activities: Prefect, Ramsey Captain, Red Star Leader, Christian Fellowship Leader, Middle School House Captain, Academic Council, Ramsey House

drew's has structured me as leader and became more responsible, and determined. In my years at S.A.C. Mr. Kyle and Mr. Scoular impacted me ost. In grade seven Mr. Kyle taught me discipline, responsibility, and leadership, which prepared me for the years to come. Through out Mr. Scoular's es he would point out life lessons. One in particular was, 'Have something to say and know how to say it." In doing so, you will become a great leader. also experienced some amazing S.A.C. trips over the last 6 years. Starting with the grade 7 Basketball trip going to Vancouver. (Twins, magic bus, and the shrimp bowl with no shrimp.) In grade 10, the JV Soccer trip to Bermuda. The Malawi missions summer trip in 2008. ('Skyrockets in the Murkanator!, BK's Birthday beats, and Tom Brindley Tell'em episodes.) Lastly, 1st Rugby trip in Cali. (dubs 11, climbing a train, Holochron, JIB, ht, shopping with Connor, and taking pics in the photo booth at the Knott's Berry Farm). Thank you teachers over the years for helping me develop Andrean. To all my friends at SAC thank you guys so much (99 steps, Cyclops, grad prank, guebec trip), and my bro Phil;)

#### ason Durst

Nicknames: fan, afan Activities: JV Basketball team, Vice president of CCS, Flavelle House and floor captain It is my second year in SAC, but it is also my last year to be here. I still remember the first day when I came to SAC a year ago. Going into a new environment and living with different people from different countries was something new to me. I had wondered would I be able to meet some new friends and fit into this big family? Everyday I have to wake up in the morning, sign for breakfast and run into chapel. Chilling with my friends and chasing the ball with my teammates during practice. Although we have to stand for an hour on parade, I still enjoy the time when I was at SAC. It is an amazing experience and I can't imagine the time has gone so fast and this is my graduate year in SAC. Thanks for my parents for sending me to a great place that is full of nice and kind people. Thanks to my friends, it is such a great time to live with you guys and study with all of you, it is the time that I will never forget in my life. I really enjoy the time that I spend on SAC and all of you.

**AlbertFan** 

would like to thank my parents for sending me to SAC cause SAC provided me a good learning environment and cs of opportunities. Also I would like to thank my advisor and the teachers that have taught me in these four years. anielFung

Gil has embraced all that St. Andrew's College has to offer. An exceptionally talented musician, his accomplishments include Head of MacDonald House, Senior Golf, JV Basketball, SAC, TV and Model UN and over 600 hours of Community Service while maintaining Scholar status every term. As one would expect Gil received many offers from leading universities in Canada and the U.S., and will be attending Tufts University's College of Arts and Sciences this fall.

Jiho came to St. Andrew's four years ago, and from the beginning he establishe himself among the academic leaders of his Class. A residential head in Memoria House, he also enjoyed life as Piper. Jiho achieved AP Scholar status last yea and this helped him garner many university offers both sides of the borde Jiho has decided to register at the Fu Foundation School of Engineering a Columbia University in New York City next year.

**JihoHar** 

Nicknames: Hewko, Hewks, Hewy Activities: Model UN, Middle School House Captain, SASSAW – Malawi, Africa, Weight Room Moderator, Gold Star Cadet Instructor, CSM Laidlaw House, 2009 Best Company, 1st Football MIP, 1st Rugby, California Rugby Tour
I find it hard to believe my time here at St. Andrew's College has already come to an end. It feels as if only yesterday I was a grade 7 student at new boy orientation, totally unaware of the journey which was about to unfold over the course of my six years at this school. And although my journey has had its ups and downs, if given the chance I would not change anything as I can truly say I have enjoyed each of my six years here. I want to take the time to thank my parents for giving me the opportunity to attend St. Andrew's, I wouldn't be who I am today if it wasn't for you guys. To my little bro, its now time for you to hold it down. Most importantly, I want to give a shout out to all the boys, there's too many to list but you guys know who you are, without you guys I never would have lasted six years. As I look back at our time spent together all I can do is laugh. The legendary trip to Tremblant, Collingwood, the warm hospitality of our good friend Dr. Newton, the lawn bowling championship, New York vacations known to others as Model UN, the damaged ATC, the infamous "Quadrean", Douglas and the entire Malawi trip, Grad Prank / Skip Day, and all of the other countless nights and experiences that weren't meant to be remembered. And although our time here may be at its end, there are many more years of memories to come. Its now time to let the real party begin, keep in touch, and good luck boys.

# party begin, keep in touch, and good lück boys. BrendenHewko

Nickname: Gabes Activities: Robotics, ECCO '09, Fencing, Aviation Society, Chinese Cultural Society At the summer of September 2007, I became a member of SAC as a grade 10 student. It was a decisio made by my parents, and I never thought it was a good idea. I started to join the different clubs and team in the school. They include the Robotics Club, the ECCO programming team, the Aviation Society, and muc more. The experiences gained were invaluable, and cannot be experienced in any places other than SAC the ECCO team trained my ability to communicate and cooperate with my teammates, and in Robotics Clu I was able to strengthen my knowledge on Physics and computer science, and apply it to solve different problems we encountered when we built our robot. Thanks to all my friends and faculties so much who have made the past 3 years such an amazing experience.

Well, the time has come to wrap up seven years of SAC life. It's been quite the time here. Sports, co-curricular activities of every kind, learning to play bagpipes, travelling to Africa, and meeting the best group of guys that surely I'll maintain friendships with for the rest of my life – these are not things that every high school student can say about their time at their educational facility. In terms of things to do at SAC, I've pretty much seen it all. Life at SAC can be mentally exhausted with all the demerits, morning chapel, UAs, and having to explain yourself for every tiny thing you do. Little details that bother you like doing up your top button, or not wearing your coat around the school, even when it's the middle of winter, but what you must realize is that as insignificant as these things seem, they serve their place. Without it I wouldn't be the same. As a message to future students, I would say partake in whatever interests you, make good friends, but be an individual, and always ask questions. I am not talking about only in the classroom. It's time for me to move on from SAC, which is significant and exciting, but the one thing that will be moving on with me are all the bros. So, here's to next year.

#### **MarkJenkins**

Looking back at the young boy who walked into St. Andrew's as a grade seven student, I see the changes myself, wrought from both experiences inside and outside of school. Whether it's been, standing at attentio for what seemed like hours on end in Cadets, or performing at the Annual Carol Service, almost ever experience I've had at SAC over the last six years has been invaluable to my growth as a person. Thank to my parents for spending two hours a day in the car to get me to SAC, and to all those who have mad these last few years such an amazing experience. To the faculty, specifically Ms Thorne, and Mr. Prezen thanks for always being there for last minute extra-help sessions, advice, or...just to chat, and that's to the gang, for making life more, entertaining shall we say.

**Bryn**Jones

Faraz joined us as a boarder in Sifton when he returned to Ontario from high school in California. Although naturally likeable, this immediately helped make him even more popular among his peers. Faraz tried out new things here: JV soccer, first cricket, and some table tennis and community service. He has earned a place at the University of Toronto, where he will be commuting next year from home, on the way eventually to law school.

# **FarazKauser**

knames: Joshie, Beef, Juan Activities: Smith Head of House, CSM, Andrean Life President, Malawi 2008, Focus, Varsity Football, Varsity Lacrosse beat Champions), Varsity Tanning, Varsity Lawn Bowling,

ng here writing this comment, I'm not really sure what to say about the last 7 years of my life. When I came to SAC in 2002 I never knew how much build actually get out of this place. Thanks to my friends, teachers, and most importantly my parents, who allowed me to enjoy most of my 7 years a. There really is no way I can thank everyone individually that has helped make my experience here what it has been so I'll just point out a few. Mr. a for helping me through my first year as a new boy in grade 6, Mr. Scoular for teaching me more life lessons than I knew were possible, Mr. Reid, Mr. ning and Phil for helping make First Lacrosse the dynasty that it is. But last and certainly not least on the short list is Mr. Gurr, who was always there my football coach, teacher, advisor, and someone to talk to. Some of my more memorable experiences here would be the Malawi trip, beating UCC in time at Homecoming, May 2-4 with the boys on Lake Muskoka at Dr. Newton's, the four year dynasty of First Lacrosse, the Grad Prank, as well as so ny more that probably shouldn't be mentioned here. Thanks again to everyone its been a good run, and Ball you definitely know what time it is.

#### oshuaHarris

A five year veteran, and the consumate 'islander', John made great friends throughout his career at SAC. Academically he excelled in English and Media Arts and always brought a level of levity to the classroom. No one was immuned to his sharp wit. Athletically, John competed on 1st Swimming, and JV Basketball. The hightlight for this Flavellian, was being an important contributor to 1st Cricket's CISAA Championship in 2008.

## **John**Hopkin

knames: wooj, slooj Activities: Middle School House Captain, Green start cadet staff, Track & Field, X-Country, Curling len I first came to St. Andrew's College in grade 7, I was having hard time getting used to the boarding system of the school, English left, and people from all over the world with different backgrounds. However, as I spend more time in school, my life in SAC got really sited and busy. And through many new experiences and unique activities in SAC, I was able to make many fabulous friends over to gears and have very strong relationships with them. I would never forget all the time that I spent with my friends in the boarding use, classes, and outside of the school. I met people who I wish to know for lifelong time and I know that these people mean a Andrew's College has taught me the great value of cultural diversity in a learning environment, and it also taught me how to be a ter citizen in the community. I sincerely enjoyed my time at SAC by learning the rich cultural diversity that this school can provide every member in the school. I want to thanks to all of my peers for good time and many other people who always tried to lead me the better way.

Activities: Flavelle House, Focus, Westside Story, Rec Swim, Track, Weight Training What was I thinking coming to SAC? Long story short, I don't regret it. Had a lot of good times and met some cool people. It was hard at times, but worth it in the end. One piece of advice to all students is take advantage of all your opportunities because you never know when you'll get another opportunity like it. Lastly I want to thank SAC for making me realize that there's more to life than fun on the beach. Peaceeeee!

Big Up to all di Islanders dem still!

quiet young man, Ronald has learned to raise his voice in his duties as Sergeant in Cadets. In his re years at St. Andrew's College, Ronald has also participated in First Swimming, First Fencing and MacDonald House Captain.

onald will be remembered for his Visual Art contributions. He has said that SAC provided him ith many first.

bnald will boast another first this fall as he heads off to the University of Toronto.

#### RonaldKam

Wow, I can't believe that this is my graduating year. I have spent 5 years at St. Andrew's College, and now I am ready for the next stage of my journey as I move on to university. I want to thank my parents for giving me the opportunity to attend this school, to faculty members for nurturing my growth and education, and especially to my advisor and house master, Mr. Inglis, for supporting and helping me through out my high school career. Truly, I am grateful that I have attended St. Andrew's College which has enabled me to become a well-rounded citizen.

Kee SeukKim

My life in St. Andrew's for last four years was probably the best thing that could have happened to me. SAC gave me some true friends, taught me how to respect people and conduct with responsibility. As well as being a Flavelle house resident really gave me the felling of boarding. I would like to thank all the teachers with special thanks to my advisor Mr. Paluch for keeping an eye on me, my housemaster Mr. McCue, and Mr. Stewart for his deep insight. I would like to thanks my Mom and Dad who gave me an opportunity to study at SAC and supported me both in mentally and financially.

**TerryKin** 

Activities: Assistant Head of Sifton House, Officer and Lieutenant of Sifton Company, Varsity Volleyball Co-Captain, Varsity Hockey Assistant Captain, Varsity Baseball Co-Captain.

Ever since I took my first steps through the doors of Sifton House a short two years ago, my time at St. Andrew's has been largely defined by the many new experiences I have encountered. It was the first time I had to live away from home, and the first time my parents weren't there to do my laundry. The first time I had ever worn a tie to school, and the first time I had ever worn a kilt. The first time I ever raised my hands in victory wearing a Saints jersey, and most recently, the first baseball championship in St. Andrew's history. Most of all, the first time I have ever been surrounded by such incredibly capable and friendly peers, whom I have had the pleasure of sharing these experiences with, and from who I have learned so much. While some of these firsts will also be lasts, it is these experiences that have allowed me to grow and succeed, as a student, an athlete, an Andrean, and a person. I would like to thank all the friends, coaches, and teachers who made my time here so enjoyable. I would most importantly like to thank my parents, who have given me so much, and supported me through every venture in my life thus far It is because of them that I am standing here today, as I start down another road, and prepare for the many new experiences ahead.

## **GriffinLacey**

I never thought this day would come so quickly. I remember walking into Mac-House for the very first time in grade eight and being greeted by the Prefects which seemed like it was just a couple of days ago. Coming to St Andrew's Colleg was like going to a new place to me. I was not used to the environment here and how everything works. Luckily, the faculty and students here helped me get used to this place. St Andrew's College has created many memories for me that I'll never forget. Playing basketball with friends everyday after school in grade eight, playing badminton for the first time in grade nine, having exam sessions with my peers in grade ten so I would hopefully get a better mark. I would like to thank all the faculty for helping me when I needed help on homework or tests, and all the friends that made me smile and laugh even when I'm feeling down. Last but not least, I would like to thank you my parents for sending me this school. Thank you for all the sacrifices you've made to move to Canada just so I could get a good education. That you everyone in this school for making me the person I am today. Being an Andrean, I know I'll be successful in the future.

Activities: Proud member of Flavelle House, Macdonald House Captain, Wind Ensemble, Clarinet Ensemble, PSAC, T&T, Academic Council

When I come to think about it, it's amazing how much I've changed since when I first came to SAC at gr. 9 to now; from probably the quietest kid you can ever think about, to a proud, mature high-school graduate. I never knew what is growing up before I came to SAC. In this school, I definitely experienced memories that will last a lifetime. From the hardest times that pushed me to my limits and forced me to step up to the next level of academics, to the times of greatest acheivements and proudness I got from my hard work. This school truly is not just the provider of best education, but one that teaches important lessons about being an all-round citizen and living a life that I want. Lastly, I wish I can remember and cherish these important memories and lessons I got from SAC, just like I do now, even after I graduate.

#### BrianLee

I would like to thank all the people that made my time at SAC an extraordinary experience. Firstly, my parents, for paying to send me the most prestigious school in Canada and making all this possible. I cannot express my gratitude enough. Secondly, I would like to that all of the faculty members who put up with me over my four years here. Ms. Chasson and Mr. Findlay, I cannot thank you enough for fo great years of music class and the amazing time we had on the Caribbean cruise last year. You two made learning the trumpet fun ar rewarding and your persistence lead us to a fantastic experience at Music Fest, I am so grateful for the experiences I had with the mus department. Ms. Richer, thanks for being a great advisor. You gave me some valued advice over the years and took my side time are time again. Thank you for the fun advisor lunches, dinners and various trips and the numerous hours you put into the organization of the band. To those teachers and faculty members who were not mentioned, thank you. You all had an greatly appreciated impact on not time at St. Andrew's, something I will not soon forget. This has been an extraordinary four years of my life which will stay with me forewant a stepping stone for which I am eternally grateful.

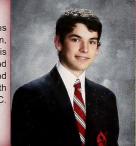

Chao is a leading visual artist. He has used his creative energies as a web designer for SAC photography, robotics and investment clubs, for our cadet program, and, Mr. Staunton, for our cricket team. One of our older grads, he is also one of the most independent. He had learnt how to solve problems: things like cooking, money management – and immigration. So we are confident that his next step through U.S. homeland security to the fine Art & Design program at the University of Illinois will be easy.

knames: BK, Burger King, Kinger Activities: Laidlaw House – Head of House, Cadets - Deputy Commanding icer, Middle School House Captain, CHRISTIAN FELLOWSHIP, DECA, Varsity Volleyball, JV Basketball Captain

hard to imagine how I would have turned out had I not come to SAC four years ago. Looking back at my time here, it has been the small experiences ich have affected me the most and shaped me into the person I am today. Whether it was staying at school till 12:00 finishing a physics lab with Cam, just hanging out on spare in the gallery, I will never forget those times and the people I shared them with. I want to thank my Dad for sacrificing his prvette money", as he calls it, to send me here each year, and thank you too Mom. Thanks to Griff for making Gr. 12 physics bearable, and Moniz and mando for the good times in Spanish class. Durst and Boris, chemistry was awesome thanks to you. MS. THORNE, you are the greatest teacher and visor anyone could ask for, sorry for all the problems I gave you. And thanks to Phil and Nameer for passing the cadet meetings and weekends by with to any student who for some reason reads this, as Roffey says, "Seize this day and make it your own." Take advantage of your time here at SAC.

BrianKing

A friendly and good natured young man, Kyle has attended St. Andrew's College since grade nine. He has shown his leadership abilities in his role as Assistant Floor Caption Sifton House and has participated in recreational sports; Soccer and Table tennis.

Kyle is looking forward to attending the BMOS program at the University of Western Ontario in September.

**KyleLai** 

knames: W Lau, Lauzy Activities: DECA, Robotics, X-Country, 1st Volleyball, 1st Squash, 1st Tennis, 1st Swimming, Pipes and Ims, Model UN, PSAC, FOCUS, Duke of Ed, Mac House Captain, CAIS Leadership Conference, Sifton House Floor Captain ears of St. Andrew's have probably meant more to me than any of my 4 years prior to coming here. Carol Service, Cadets in Concert, rades and Inspections, sports games, weekly meetings and advisories, or the residential life – the sense of community of this place inparalleled, and I am truly grateful for belonging to these experiences. Thanks to my parents, my aunt and uncle, and my family for king this a reality. To the faculty that have helped me along the way, notably Inglis, Swan, McGillivray, Rush, Giel, Butcher, Costanzo, luch, and my advisor Ramon. To my friends for all the fun, the CCS (Chinese Cultural Society), the Sifton crew (Ben, Toups, Grif, ris, Kee) and everyone else whom I didn't mention. Finally, if there's one thing I have learnt, that would be: Don't try to become a not success but a man of persistence, hard-work and integrity. Your success will come.

#### VarrenLau

Eric arrived last year from his high school in British Columbia, and quickly became known as one of our top students. A believer in becoming a well rounded person, he has played Rep Tennis, Fencing and Clarinet in various bands and ensembles. Selected to be on the school's Arts Council, the CISMF, and producer of SAC TV; he has also earned many hours of Community Service.

In September, Eric takes this experience and talent to Rice University in Texas.

**EricLee**

## **ChristopherLezon**

Activities: Math Club, Robotics Club, Chess Club, First Badminton Team, Chinese Cultural Society
Coming to a boarding school alone that is half way across the world in grade 9 was a hard time to go through. Thanks to the Prefects and peers that helped me to go through those hard times. As an old boy, I am surprised how fast that four years has actually gone by. I can still remember the orientation day in details. What makes me become a real Andrean is that I have learnt to express my thought confidently and also to fully make use of the resource that is provided. The last year in SAC was fun and sad at the same time. The fun part was that I can relax a bit after being accepted to universities and also enjoy grad privileges like getting out of chapel first, sleep-ins, etc. The sad part was the last Carol Service, the last Cadet Inspection, last gating and also the last years with friends that maybe never met again. Thanks to my parents for making this decision for me- to let me attend this school. Thanks for Mr. Chadsey, Mr Prezens, Walden and Ms Thome for the last minute extra help sessions. If I were to give my last advice to the current Andreans, it would be get involved with clubs and teams as much as you can, for the more effort and enthusiasm you put in, the more you are experienced and fulfilled during your time at SAC.

I can't believe it's been four years. In some ways it feels like a lifetime and yet it's gone by far t fast. St. Andrew's College has given me so much and I thank my parents for giving me this amazi opportunity as well as all my teachers, coaches, and friends. I've learned so much through all r accomplishments and more importantly through all my failures. I've changed so much from the hyper little grade nine kid who use to run around the school doing incredibly stupid things, to the Artistic Prefect who still runs around the school but this time doing constructive things. Some my favourite memories include Bermuda soccer trip, Malawi, Carol Service, Focus of course, a the old days of grade nine. I am and forever will be an Andrean... just like Ryan Cole.

## **Aaron**MacDonal

I would like to say one word, WOW. The experience here has been one with many ups and downs but one with more ups. I would like to thank my parents for allowing me to take part in this incredible experience for three years. I will never forget my many teachers and friends whom I have met in this wonderful place. For all the people that attended this school I would like to tell you to take advantage of all the things that are offered here because there is no other place like S.A.C.

# Anthony Marchese

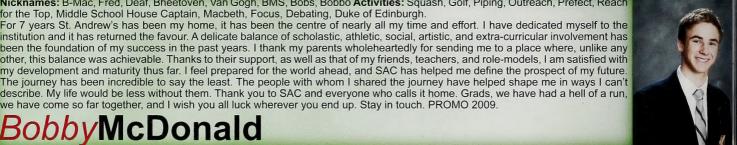

Nicknames: McArthur, Mac Daddy, A-Mac, Mac Nicknames: McArthur, Mac Daddy, A-Mac, Mac Wow...these past 5 years have been one hell of a rollercoaster with plenty of ups, downs and flips along the way. I remember back in gr 6 when my brother first came to SAC all I wanted to do was to come here and graduate. I thought it was going to be nothing but good time obviously, like any other place, I have experienced the best times and the worst times here at SAC. There has been plenty of negative eve that I have had to deal with, but now looking back, I have had some of the most unique experiences, the best opportunities and met some of most incredible people over my years here. I would like to thank Mr. Walden and Mr. Staunton for even when I hit rock bottom, they support me right through to the end. It's the people behind the name St. Andrew's College that makes the school what it is today. These two men no exception, because without them, my SAC career would have been very different. Most importantly, I would like to thank my family, m specifically my parents, for all their support and making the sacrifices necessary to send me to such a unique place for my high school can Without them, I wouldn't be the man I am today. Thank you to everyone, including the guys that didn't make it, for all the good times.

## AndrewMcArthu

Nicknames: B-Mac, Fred, Deaf, Bheetoven, Van Gogh, BMS, Bobs, Bobbo Activities: Squash, Golf, Piping, Outreach, Prefect, Reach for the Top, Middle School House Captain, Macbeth, Focus, Debating, Duke of Edinburgh. For 7 years St. Andrew's has been my home, it has been the centre of nearly all my time and effort. I have dedicated myself to the institution and it has returned the favour. A delicate balance of scholastic, athletic, social, artistic, and extra-curricular involvement has been the foundation of my success in the past years. I thank my parents wholeheartedly for sending me to a place where, unlike any other, this balance was achievable. Thanks to their support, as well as that of my friends, teachers, and role-models, I am satisfied with my development and maturity thus far. I feel prepared for the world ahead, and SAC has helped me define the prospect of my future. The journey has been incredible to say the least. The people with whom I shared the journey have helped shape me in ways I can't

we have come so far together, and I wish you all luck wherever you end up. Stay in touch. PROMO 2009.

## BobbyMcDonald

Andrew has enjoyed six productive years at SAC. In addition to being Prefect, he participated in Varsity Volleyball, Basketball and Cricket team was a Warrant Officer in Memorial Company, and contributed many hours community service activities. Although his peers voted him the grad most like to find work on radio – using his deep voice - Andrew heads to the education program at Queen's University in September - en route to a return to teat SAC.

#### **AndrewMerke**

Activities: Prefect, Spare Enthusiast, Lawn Bowling Champion, Golf. Having been at SAC since Grade 6 I am pleased to be graduating. I would like to thank Mr. Shrimpton, Mr. Inglis, and Mr. Shields for making my time here so enjoyable. Good luck to everyone in the future.

## SamMillette

fail of 2007, when I arrived at St. Andrew's College, I was nervous and didn't know what to expect. Deep down, I wondered if it was the right place for me. However, as as I stepped out of my parents' car, all worries and queries were put to rest. Various people rushed over and immediately welcomed me into the St. Andrew's brotherhood, nemories I have of this experience and place will last a lifetime. I am forever grateful to both the school and especially my parents for giving me such an amazing opportunity. he sign says: "Headstarts Start Here" - I must confess that I have learned so much about life. Whether it be playing in the annual MacPherson Friday Night Hockey Game nding at attention for what seemed like days at the Annual Cadet Inspection, I will never forget the things that I have learned here. I would be remiss, if I didn't thank all the s that I have made here ..... you guys know who you are. I look forward to maintaining these friendships throughout my life. If I could give one piece of advice to current re SAC students, it would be to make sure to live every day to the fullest and enjoy every opportunity, fund raiser and person you meet. Time goes by so fast here at St. w's and before you know it you will be driving out through the very same gates you entered at the start of your SAC career. Keep your friends close to you and remember ou will create bonds and memories that will be there for you for many years to come

#### alumMacLeod

Activities: 1st Lacrosse CISAA Champions, 1st hockey CISAA champions, 1st Lacrosse Captain, Smith House, Smith

Activities: 1st Lacrosse CISAA Champions, 1st hockey CISAA champions, 1st Lacrosse Captain, Smith House, Smith Company Lieutenant, JV Hockey.

I would first like to thank my parents for sacrificing both their time and money to give me the opportunity to attend such a prestigious school. If it was not for them and their sacrificing I would not be half the man I am today. When I first came to SAC I did not know what to expect and coming in grade 11, one of the most important years of high school, posed its problems, but I persevered. The opportunities that SAC has provided me are endless, whether it be in the community, in the classroom, or on the sports field. SAC has helped me build bonds with students from around the world and team bonds through Varsity Lacrosse and Hockey that will last forever. I would like to give a lot of thanks to my Coaches through my two years at SAC who have really helped me develop as an athlete and the doors you have opened will never be forgotten. Lastly I would like to thank my teachers and friends who have made my two years at SAC a memory that will last a lifetime

**Andrew** Masson

eve spent the last 6 years of my life at St. Andrew's and it's been quite a journey. The school has given the opportunity to try my hand at many things. From playing on the Volleyball and Basketball teams, ieving the rank Captain of Laidlaw, acting in FOCUS, all the different teachers, classes, clubs, and being cted a Prefect have really given me a wide variety of experiences that are invaluable. If I could give one se of advice to those continuing on here it would be to not work too hard. There is a lot of pressure to well and it is very easy at a place like this to get consumed by trying to achieve excellence. Take time yourself to enjoy life, you won't regret it. I would like to thank my parents for supporting me and all my nds for the good times we have had. I'll be going off to U of T next year, and I hope that everyone has at success at university next year as well.

#### rakeMcCleave

Another popular Andrean since his arrival in grade nine, Mark never hides his smile whether he is in the classroom or competing in sports. Mark should be very proud of his accomplishments which include CISAA First Hockey Champions, First Volleyball MVP 2009 and MIP 2008 and Warrant Officer while maintaining Scholar status every term.

Mark was in demand by many universities and has carefully considered all his options, his choice this fall is McGill University.

#### **MarkMcLean**

St Andrew's experience for me was particularly interesting. While it was hard for me being ay from my life in Mexico, St Andrew's has tough me many things that I will be grateful for rest of my life. Whether getting a great education or getting involved in athletic activities, St. drew's has changed me, making me a more complete and mature person. I am sure that this perience will help me throughout my carrier and throughout my entire life. I would like to thank parents for making this opportunity possible, and I would like to thank SAC for making this a morable time of my life.

## ernandoMijares Gurza

I would like to begin to thank my father for providing me with such an experience and privilege to attend the fine school of St. Andrew's College. Arriving in grade ten the switch to an all boys private school wasn't easy to say the least; however, I found my self engaged in several activities and began to enjoy my time at SAC. Some of the activities I have been involved in are: 1st swimming, Triathlon, Cross Country, Robotics club, and SAC PRAS. Some events that I will always remember about my time at SAC was coming second in the ECCO contest and only solving 1 question which qualified us for regionals, making OFSSA after all of Mrs. McCue's fine practices and taking 3 seconds off our relay seed time, commanding Memorial Company as Captain, and all of the triathlon races that I ever competed in. Thank you, Mr. and Mrs. P, all my teachers and coaches for making SAC a very positive life changing experience. life changing experience. *Michael* Moniz

Corey has enjoyed a successful academic career at SAC while engaging in meaningful commun service. He was this year's Outreach Council President, a group which last year raised a to of almost \$100,000. He has also volunteered for Special Olympics Canada, and is working completing his Direct Entry Duke of Edinburgh Gold Award. Corey has ranked 2nd as a golfer he and has been a warrant officer in cadets. Next year, Corey will be attending McGill University their Arts program.

**CoreyMorriso** 

Nicknames: Namer, Chubby cheeks, DJ Nambo. Activities: First Football, First Rugby, Arts Council
The last seven years at SAC was too much fun. I will never forget the memories I made with my boys: G-cal, Goits, Millety,
bobs, ando Eals, Moryto and the gongs. I also thank the teachers who have built me up into a complete man from a little
kid from MAC House: Mrs. Josselyn, Waldo, Galajda and Sandi and Stewart. I really enjoyed listening to the sound of pipes
and playing my trumpet. I especially enjoyed the battlefields tour and CaLi rugby tour and also the Convoy Quad mission
0830. I will also miss the basketball crew: Boris, Zohair, cuduja, Merks, nelberner, legebi and Turnitin. I told myself during
the Carol Service that I would never cry, however, when I was playing that last note on the trumpet I just wanted to hold
that last note forever (softly). Another fun event that I had at SAC was spinning at SAC semi. It was truly a exhilarating and
an opportunity for me to shine. Mainly, I want to thank my mom for supporting me. I ♥ you mom. I love you boys, Thank
you very much teachers. I will never forget what SAC provided me. Rock ur Kilts boys!

#### DavidNam

Upon entering SAC, I felt so privileged to be among some of these great schola and athletes. I wanted to prove myself and see where I would compare again them. Plus, I was a shy kid, not really knowing where I would fit into. However the years went by SAC has had an amazing impact, allowing for me to get involvin school life, as well as among my peers. Plus, athletically, I feel I can hold my ow which in itself is a great feeling due to the help of both coaches and players.

GrantNyc

JaeKyun arrived at St. Andrew's for Grade 10. He is a quiet young man who has spent much of the time in Flavelle House. He was a team member of senior cross-country, and a recreational squash player. JaeKyun has given over 150 hours to community service since he arrived. A capable student, he received many offers to U.S. colleges, and is heading off to the University of Illinois in Urbana in September.

## Jae KyunPark

Activities: Macdonald House Captain, Sifton House Floor Captain, Robotics Club, Photographers of SAC, Programmers' Association, Aviation Club, Flute Section Leader, CISMF Wind Ensemble.

I came to St. Andrew's College in September 2006 as a Gr. 10. Everything was new to me thus I had to adjust my to new community. It was interesting to live with friends from all around the world; the experiences in the multicult and diverse community were invaluable. I believe SAC was the great place to prepare for the next journey: unive and beyond. Although I would definitely miss many of my close friends, I believe we will keep in touch just like we have done in SAC. To my parents: saying thank you would be an understatement because your unconditional encouragem love and support could not be described by any words. In brief, three years of the memory in SAC would remain in heart throughout rest of my life.

During my time here at sac there have been many up and downs including my sport commitments with Varsity lacrosse, varsity volleyball and especially varsity tanning. Pretty legendary pulling off the Academic MIP in term 2 of grade 11 and finally getting scholar in term 2 of grade twelve. Took me 8 terms to get scholar but I did it. Sac has been a place like no other for me. I'll miss it but there comes a time when better and bigger things are calling and we gotta step up to the plate. Good luck next year boys, won't be the last time we board the train together.

## **BrettPenrose**

m has spent seven memorable years at St. Andrew's College. A School Prefect, his leadership complishments include Middle School House Caption, Outreach Committee, Staff Cadet Gold r, DECA Vice President 2008, President 2009, Outreach and Model UN President. He has atticipated in many Drama Arts productions while maintaining Scholar status. It was voted at the Grad Dinner by his peers to be the most likely to Own Everything. It will be graduating to pursue studies at the University of Western Ontario and the AEO or gram at the Richard Ivey School of Business.

# damMoryto

Nicknames: Nelson, Nellie/Nelly, Nels, J-Nels, Nelbo, Nelbone, Nelbomb Activities: Mac House Council, First Lacrosse (CISAA Champions), Duke of Ed Bronze Award, Residential Life Council, European Battlefields Tour, Academic Merit Award, Academic Scholar, Outreach Trip: Mission Malawi, Warrant Officer When I came to SAC as a grade 8 student in 2004 (which seems like yesterday), I never thought my time here would go by as quick as it has. Though it's been a long and somewhat tough journey and I've had my good times, and I've had my bad times; I am glad to say that I am leaving this place on a happy note. I would like to thank everybody for five great years and wish my fellow student peers all the best of luck in university. Cheers, boys!

r years I've spent here at SAC have truly changed who I am and made me into the complete in Along the way I've been able to meet so many different people who won't soon be forgotten. In BK for the mid-advisory breaks to Tim Hortons to Durst for driving Ms. Thorne to the edge of aity. From Tyler sticking out piping with me to Cathers loaning his house out. For Phil and Ryan putting up with me in the theatre and to everyone else whose name I'll read in the yearbook years from now and say, "Oh yeah". Finally to the teachers who have always supported me to my parents who have put up with all my crap, I say thanks.

#### ameron Oram

Aleading scholar in his four years at St. Andrew's College, Jason is also a gifted Saxophone player. A Lieutenant in the Cadet Band, Wind Ensemble for four years, First player for CISMF and member of First Football. Jason is also a leader in Community Service with over 400 hours.

We wish Jason success as he heads off to the University of Rochester in September.

ems like only yesterday when I first entered the gates of St. Andrew's College as a boy in grade 7, but here I am graduating as amber of the class of 2009. However, even though I am passing through the gates once again, I shall never forget the unique nories that I have made in this school. I will never forget about the level of intensity I kept at the First Squash tournament; which is good in the CISAA tournament will always be remembered as one of the unique accomplishment in my life. I will have forget about my involvement in Pipes & Drums and String Ensemble; the sound of beating drums, roaring bagpipes and, hossion I felt; thanks to Mr. McGillivray and Ms. Chasson for giving me countless opportunities to play music at this school. The properties of sacrificing so much to send me to this school, and to all my friends and teachers, and all the others, who have last few years such an extraordinary experience. Finally, thanks to my house masters, Mr. and Mrs. Perrier for any thing during the last four years in Memorial House. I just would not have been the person who I am today without you guys, are with no question, you guys are like another great parents for me; thank you.

#### pePark

I have truly been blessed to come to this school, and become a member of the Andrean family. I have experienced many highs and lows, but I am glad to say that I am able to graduate from this amazing place. I would like to thank all my teachers for aiding me in my growth, both academically and as an individual. A special thanks must go out to Mr. Costanzo. You have turned me into a decent writer and you are truly a unique teacher that I will always remember. Thank you Mr. Inglis, my advisor, for always encouraging me and being there if I needed advice or someone to speak to. To all my housemasters, Mr. Galajda, Mr. Day and Mr. Brennagh, for making my boarding experience a memorable one. Of course, I cannot forget all my friends, I do not know what life at SAC would have been like without you all, and I am glad I can call you all my friends. I know that the friends that I made here will be with me for many years to come. Finally, I would like to thank my parents for making so many sacrifices to allow me to attend this amazing school, and for always being there when I needed them. I am proud to say that my journey at this school is complete and I am now a St. Andrew's College Old Boy. Thanks for all the memories.

Nicknames: Phil, Big Banana, Big Bana, Big Phil, Philly, Philly Phal Activities: First hockey MPHL Champions and CISAA Champ

Coming to SAC last year was a life changing experience for me. Knowing few people and starting all over again at a new high so was intimidating. In the end everything worked out, I have really come to enjoy the school, the environment, and the people surrour it. The education was better than great, but nothing will ever beat the friends and fellow Andreans I have met. To my best brother the Maritimes stop "disrespecting the jow man". To Big Bonna Hellus and goodbye. To the Boyd who has changed his identification will now go by the name "Betty". To Skeezer Newman McClean a natural leader who has trouble saepknig some times. To Cavibrant born chirper who has no fear to tilly. To all my boys who aren't a scared of nothing, good times with Viscilli in Greece, su the beach in Florida, Fun hockey road trips, and long days at the Bills game in Muffalo. Thanks to my Dad, Mom, and my Sister f the support they have given me, I wouldn't be where I am today without them. I am sad to say I have to move on, but will alway JoshuaPhil an Andrean at heart

Nicknames: Rabb, Rizz, Rizzle, C-Rabb, Rabbior Activities: Prefect, Middle School Council, Middle School House Captain, Goalie for 1st Hockey, CB for 1st Football, Malawi SASSAW 2008, Ecuador SASSAW 2007, Outreach Council, SAGE Committee, SACTV, Focus 2008/2007, MVP JV and U14 Hockey.

Wow, I never thought I would have ever reached the point in my life where I had to write my own grad comment. Graduation always felt so far away and now that I'm finally here..i don't really know what to say. My time at SAC has been unbelievable, I'll definitely remember the unbelievable times I had with the boys on 1st Football and 1st Hockey, the Prefects, and all the grads of 09. To Bobby, Ball, Beef, Goits, Calv, Moryto, Jamie, Skeeze, Bons, Sollows, Jenkins, Stainer, Boyder, Hewks, Millette, Elan, Anderson, Namer, Bryce, Toups, Illi, Durst, Bess, and many others, you guys made the 4 years of high school the best years of my life. From fun on the weekends lunches at school, to mountains in Africa, and to cottages on Muskoka, nothing was boring. Hope to see you boys around in Montreal. I want to thank my parents for dishing out the thousands in order for me to attend SAC, I certainly owe everything I have ever achieved or will ever achieve to you guys. Thanks for the 6 years.

#### ClarkRabbior

These two years at SAC have been invaluable and irreplaceable years in my school career. A time t will remember and cherish forever. Getting used to SAC as a home away from home has been a very l adjustment. It was a move that I know I will definitely not forget, but in the end was certainly worth it. I forever grateful to my parents that made this opportunity possible. To all the teachers and to the friends helped through the tough times. Respect to the islanders, the Canadians, and everybody in between the have gotten to know during my time in St. Andrew's. I have made friendships here that will last a lifetim And RIP to all the fallen soldiers!

#### **Jonathan Ramsa**

Nicknames: Nam Nam, Little Nam Nam, Brown, Brownie, (King of) Browntown, Nizzle, Rizzle Activities: Prefect, President of Res. Life, President of Investment Club, Vice President of MAC House Council, Two-year Captain of Varsity Cricket (2008 CISAA Champs), Ass. Coach of U14 Squash and Tier II Soccer, Losing Braveheart (\*Class of '03 Grad Present), Illegally discarding a lifeboat in grade 8...

So it's finally here, and it wouldn't have been here for me if it wasn't for my parents to literally flip a coin to decide where I would go after grade six. Thankfully it landed on tails (never fails), and I ended up at SAC. Through the whole journey, the highs and lows, it's kind of hard to imagine life without St. Andrew's because of how much it has shaped me (for the better and worse), and only because of the people here. Some times I'll never forget: Metro bowl win in grade 7, Homecoming pep rally's, all six seasons of cricket, Springfest (good times Cruiser, Boris, Drake and Josh), Homecoming (g.12; aka. the most expensive homecoming week in the history of the school; Raptors girls, smashed a \$400 car, and the unreal record-breaking dance), final Carol Service, and of course the scandalous formal at the CN TOWER (how the hell did we pull that one off?!?). All in all, it was the friends there at each event that made everything so special (you know who you guys are), and I can never forget the effort and influence of some of the outstanding faculty here. My message for the young ones: love life. Thanks everybody, and as Tom

## ameerRizvi

Jake has been an Andrean for four years. He is a very keen athlete with a passion football, and a dedicated weight trainer. A day boy, he has been a sociable member Laidlaw House and has developed a close group of friends. After being accepted to University of Toronto and their varsity football team, he has decided to take a year of work and travel.

**Jake**Roma

Nicknames: CS, Ciesto Activities: FOCUS 2007 & 2008, West Side Story, Scott Mission, Peer Tutor, Mission Malawi, Cadet RSM, Year-round MacHouse Captain, Residential Life Council, Flavelle House It amazes me how the front gates change every year. In my first year, they were daunting. In my second and third years, uplifting. I now see them as proud, standing majestically as the lions look onward to the whole world. That is what St. Andrew's has shown me. This school has provided for me countless opportunities, and with such the foundation to build my character – both in virtue and strength. I would like to thank my family, particularly my father, for sacrificing so much to enrol me here, and my brother, for supporting me every step of the way. It has been a hard road to follow, but a rewarding one as well. I sincerely hope that the rest of my peers will learn what I have learned - to keep an open and bright mind.

ConorScott

ities: Recreational Squash, Intermural Squash, First Curling, Robotics, SAC Programming, Junior Varsity Band, Floor Captain I first came here to SAC, I was worried if I could do well. It was the first time living in a dormitory and having a roommate who s the same space was very uncomfortable. However, time resolved everything; I got used to the atmosphere at SAC and learned o live well with my roommate. Also, I liked the idea that every student should play sports after school because I didn't have much tunity to do sports when I was in public school. Honestly, I felt like I was in a cage every weekend because going downtown or to other places to hang out was too far. But, in turn, I played sports and studied with friends and now I recognize that it was much than hanging out. Since there aren't many students in an independent school compared to public school, the faculty can provide attention to their students. I liked this because I was no longer afraid to ask questions and teachers are available whenever I ed their help. Thanks to SAC for providing such life experiences, for changing my life and the way I think and look at the world.

A six year Andrean, Zohair is a strong academic and keen Basketball player. He has been valuable member of First Basketball the past two years.

Zohair has been entered into the "Guinness World Book of Records" for losing the most number of basketballs... fortunately it wasn't on the court.

We wish Zohair well as he heads to Queen's University this fall to study Science en route to a career in the medical field.

**Zohair**Rahman

n today, when I closed my eyes I still able to visual every single moment in SAC. SAC is a truly unique e where you get together with a people from around the world. The atmosphere there is very close and together, not only with your buddies but also with faculties and staff members. I must said SAC has given permission to be deliberate and strategic with my education. There is great support, and encouragement ne to explore in every aspect of the student life. So, I would like to take this opportunity to thank my thers, my parents and my friends for helping the through my high school life.

### anatRatanakosum

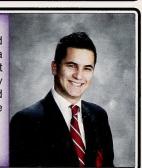

A popular two year Andrean, Martin has made the most of his time at SAC; Head of Ramsey House, Drum Major for the Pipes and Drums Corps, Wind Ensemble, First Soccer and JV Basketball.

Martin is proud to continue his post secondary studies as an Andrean and will be heading to the United States to the University of Detroit Mercy on a DivisionOne Soccer Scholarship.

#### **Martin**Robertson

names: Franky, Frenchy, Franklin, Don Franky

ndrews' has been the closest place to home away from home. This journey which started two years ago has had y ups and downs. Although these two years have passed quickly, I know that SAC has just started to offer me a me of memories. The idea of giving up is one that SAC has taught me to forget. Even though the road ahead might bugh, my teachers, advisor, and especially my House Masters, have taught me to find a way through. Many of my ds have asked me what I would do if I could do it all over again. Would I have stayed home? My answer has changed untless number of times to finally come to this: my only regret is to not have come here earlier. Lastly, I would like ank my parents for allowing me to attend this school and live an unforgettable experience.

#### rankSciortino

Nicknames: Sheegs, Sheegman, Sheegster, Kee-han Shee-han Activities: Sifton House, Macdonald House Captain,

First Lacrosse, JV Basketball, Residential Life Council, Biathlon, Wind Ensemble
My time here at SAC has been challenging. Without the challenge so characteristic of this place the last four years
of my life would not have been so rewarding. The academics, the extracurricular activities, and living day in and day out with my friends has provided me with experiences I will never forget. I must thank my parents, Susan and Tim, for allowing me the opportunity to go to this school and for putting so much effort into ensuring I succeed; some faculty, Mr. Staunton, Mr. Rush, Mr. Stewart, and Mr. Paluch for teaching and guiding me through my time here in a respectable and enjoyable way; and lastly all my friends, too many to name in my remaining 131 words...you are the ultimate reason SAC will be a good memory and whether we keep in touch or not, know you will always have my friendship. Best of luck in your futures.

*Kegan*Sheehan

Nicknames: "Sails" Activities: Two Time CISAA Champion, and 2008 MPHL Champion with Varsity Hockey. Member of the V Baseball team 09'.

When I was 16 I moved to Aurora from Halifax, I didn't know anyone and wasn't sure what to expect, however, I knew of SAC's professiona and the opportunity I would have academically. I learned quickly that there were major differences between the public high schi attended in Halifax and SAC. I learned about discipline, taking pride in my work, and making sure that by the time I handed in a papi wrote a test I was prepared and confident with the outcome. What I will take most out of my two years at SAC are the relationships I gained. To all the boys, thanks for the memories and let's keep them going. I'd like to acknowledge my best friends, Big Phil who's "r scared", Bonner, Boyder, Cal, Skeez for an amazing time in Greece. I'll never forget how much fun we had. To all the hockey boys "k The Faith". I learned that every championship team has a backbone with leadership and our hockey team and SAC has the best lear have ever had in Mrs.P. Thank you, Mrs.Perrier. When I moved here I did not know a single person, and leaving SAC not only gives a great experience, but friends who I will miss, Good luck Andrean Brothers!

**MattSollow** 

It has been an honour and a privilege to be able to spend the last three years of my high school career at SAC I have never met a finer bunch of guys, teachers and staff. Their combined help have allowed me succeed in furthering my education and allowed me grow from a young boy to a young man. But I must thank my parents more than anyone, you believed in me, that I could do better. You pushed me to succeed and strive for perfection in anything and everything I took part in. And although I didn't understand at first I am glad you pushed me to become the best that I could be. My experiences at St. Andrew's College will remain for me forever, I have made many close friends and met many interesting people. Thanks again to everyone, I will certainly miss this special place.

### JoshStevenson

Jonathan has been a four year member of Memorial House. He was a regular on Sen Cross-Country and swim teams, so it made sense that he also joined Mr. Ramon's triathlet in the spring. He has participated in Fall and Winter play productions and has acquir over 200 hours of service in the community. Jon has decided to study social sciences McMaster University in September.

## **Jonathan Thomson**

I would like to thank my parent for giving me an opportunity to study in such a great environment. This is a turning point of my life, as I have been shaped to be a complete man. Wherever I go, no matter what the weather, I will always remember that I am an Andrean.

## **WayneTsui**

Nicknames: Phoel, Filthy Phil, Philly Phil, F Weezy, Cutie Activities: Deputy Head Prefect, Middle School House Captain, Va Swimming Captain, VP of Community Service Council, Christian Fellowship, Dramatics, Cadets. Its amazing to think that four year SAC have gone by so quickly, but now that it has come time to move on, I am bringing with me more than I ever thought I would. I everything to my family for sending me to this incredible school, to all my brother Andreans for making this experience so memora and to all my teachers and coaches for their guidance and support. I will never forget the good times in Malawi, the late night rehearsals with Mr. Scoular, Mr. Rush's philosophy class, and the real Palace of Love. If there's one lasting lesson that these four years have taught me, it is to love every day, and that a man may become only as great as what he loves. If he loves himself becomes great in his own mind, but if he loves his family and God, his community, his friends, and his school; if he embraces his whole-heartedly, he can not only attain the highest peaks, but also move them.

Nickname: B-Wong Activities: Varsity Volleyball, Basketball

I have been at SAC since grade 6. I can say that SAC has really helped me develop into a man. I would like to thank my parents for sending me to this school and giving me this great opportunity. I would also like to thank all my friends and all the faculty members for making my time at SAC so great.

# **BorisWong**

St. Andrew's career is quickly approaching its end. It's weird having to write a grad comment because making me realize how little time I have left in high school. The main thing I want to say is thank you be and Dad, for all the support you have given me throughout the years. My life had its ups and downs, do you two were always there for me. The most memorable times in my high school years are: My first becoming, my last Homecoming and the victory against UCC, beating UCC again in the semi finals this ar, volleyball OFSSA, party's at Bob's, Africa in the summer, Merkenstein, setting up dangerous chemical ups during chemistry labs with Ball and Max, California rugby tour (which resulted in a extra long march eak), Tremblant (with Calvert, Moryto, Goitanich, Sam and Hewko), Collingwood during the winter, GSD, do many more. I have no idea where I will be ten years from now....

#### amesStainer

**Activities:** Africa Trip, Model UN, Varsity Tanning Team, Lawn Bowling Champion. Having gone to St. Andrew's since grade 7, I am excited to be graduating. I would like to thank my parents - for the opportunity they have given me by sending me here, my friends - for making the experience memorable and worthwhile, and the institution - for bringing us all together, pointing us in the right direction, and instilling within us an appreciation for the finer things in life.

**Jamie**Symmes

two year Andrean, Francois is a model citizen and well rounded athlete. His accomplishments clude; Assistant Head of Sifton House, Lieutenant Sifton Company, Warrant Officer Sifton bmpany, Best Platoon, Gold Star Instructor, First Hockey and First Tennis (MIP 2008). He has articipated in various school productions, including his directorial debut in "Journey's End". September Francois will be returning to Montreal to attend McGill University to study Biomedical Life Sciences en route to pursue a career in the medical field.

## rançois Alexandre Toupin

Life is full of many things; places, people, sights, sounds, and memories to last a lifetime. In many cases, the things we experience are a result of the choices we make, and the sacrifices we endure because of them. In a way, you have to give more than you take, and as we walk along the winding path of life, you always have to remember that no matter how high you set your sights, if what you are striving for is worth the sacrifices you will have to make, then you can never go wrong. It took me a while to understand how amazing life can be when living in the moment, and being thankful for what you have, not what you need to be better than somebody else, because in the end, life's too short to spend your time worrying about what could have been.

## **BenjaminVangalen**

has been two long years and the journey has finally come to an end. All my life I have always wanted to attend school like St. Andrew's College. This school has made me a better person, a better man, and an all-rounded izen. It has complemented my overall character and has moulded me into the type of man I was striving to come. It has created a foundation for my later years of success and happiness. First and foremost, I would be to sincerely thank my family, especially my grandparents for believing in me all this time and for being there their grandson whenever I truly needed them. I also want to take this opportunity to thank my friends at SAC making the experience worthwhile because things would not have been the same without you. One Love.

After all those years studying in SAC, I am glad that I choose SAC instead of other high school because of the programs and opportunity SAC provides. I would like to thank my parents for sending me to SAC, and all the faculty that have taught and shaped me.

JamesWong

A quiet young man and a boarder from Unionville, Wessley has been an Andrean for three yea At ease in Memorial Company, he has participated in fencing for the school, and has enjoyed trec soccer and swimming programs here. Wessley is a focussed young man intent on graduatifrom the commerce program at the University of Toronto.

# WessleyWong

A quite young man, Nicholas has been an Andrean for three years. He has enjoyed his life in Memorial house, and has been an active participant in recreational sports; Soccer, Weight Training and received Silver in Fencing.

He is considering offers from the U.K. universities of London and Leicester to study law.

# **NicholasWoo**

Simmon has been a perennial scholar in his three years at SAC. He has participated strongly in community service, amassing over 250 hours. A member of Sifton House, and an intramural athlete, Simmon prefers the life of the mind. He will surely be successful when he moves on to the University of Waterloo and their Electrical Engineering program.

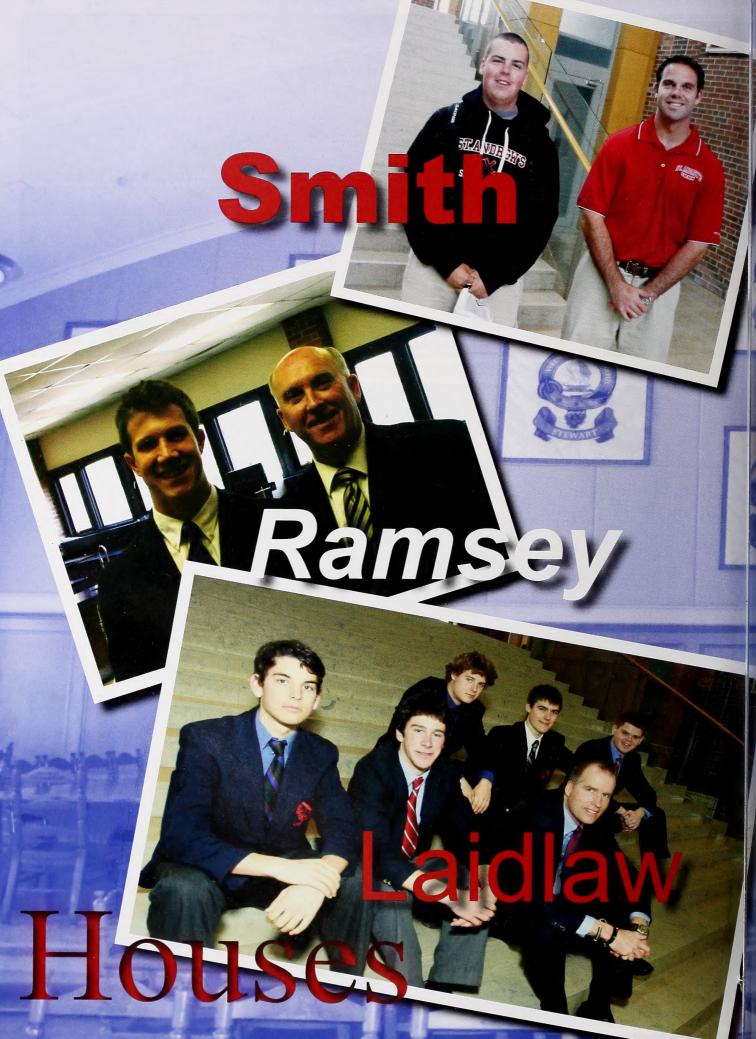

## SimmonWu

ian arrived at St. Andrew's three years ago from his high school in British Columbia. He has made his ark as an Andrean, highly respected by his peers and teachers; he was Co-head of Memorial House, an litor of the School Newspaper, and First Clarinetist in various school bands. A member of the school's ACIA team, Brian's interests lie in the social sciences — in particular, history, philosophy and the law. He is decided to continue these interests in September at Emory University in Atlanta.

## rianYoo

fter an extremely successful 2007-2008 year where Sifton House captured not only the Best Company award but also the Housser Cup for the most clan points of any house, its members arrived back in September rejuvenated and ready for another great year. Lead by its very capable student leadership team and our Head of House, Ben Vangalen, 2008-2009 has been equally as successful with its members excelling not only athletically, but also academically and co-curricularly. Notable achievements for the boys this year have included our multiple Inter-House championships, their continued support of our Foster child in Kenya, donations to breast cancer research through various house initiatives, and the attainment of the top academic boarding average for the

As I step down from the role of Housemaster after 6 years, I must thank all of the House's current and former residents, assistants, duty masters and staff for making my time in this role so rewarding and enjoyable. The dedication, pride and camaraderie of Sifton's residents and staff are the true strength of the house and will ensure that it will always be a great place to live. Sifton pride forever.

Smith House has enjoyed an excellent 2008 / 2009 school year. We fared quite well in all of the in house competitions, including an impressive victory in the annual Shad Creek race. The annual cross country run provided another highlight, with several of our boys placing among the top finish. As always, it has been our goal to win the Housser Cup and earn the distinction of being named the Upper School House. More importantly however, we have gained a greater sense of camaraderie brotherhood through a variety of House events. In addition to activities within the House, there we number of important events throughout the year. These events included homecoming, the tradition St. Andrew's night feast of haggis, the annual Carol Service, and the Friday night

# SASSAW Malawi

Harry Market

rom August 1-25, twenty-nine Andreans left behind the comforts and conveniences of Canada to travel to Malawi in the south-eastern part of Africa. Twenty-three student

were accompanied by four teachers and two Old Boys from the class of 2005 in a multifaceted adventure consisting of three distinct components: a community service project, a Gold level Duke of Edinburgh's Award hiking expedition and a safari.

The community service project was the culmination of a year long fundraising effort to support the construction of a kitchen facility for the Mulanje Mission Hospital in rural Malawi. The boys raised just over \$48,000 through a variety of creative initiatives. This money was funnelled to the hospital through a Presbyterian Church connection with the plan that construction would be well under way before our arrival. As it turned out, the kitchen almost finished when we arrived.

under way before our arrival. As it turned out, the kitchen almost finished when we arrived. However, there was no shortage of work to be done to our boys. Many of them spent time teaching lessons at the local primary school as we as leading a variety of games during their recess periods. Our boys also did a fantast job of providing a much needed facelift to a playroom attached to the children's ward the hospital by painting a lively array of animals, landscapes and symbols on the wall Finally, a few of the boys had the opportunity to travel with a medical Outreach team some of the communities surrounding the hospital. This allowed them to experience a litt of what life is like in rural areas as they helped out by weighing and recording

the weights of hundreds of babies. The communi service experience concluded with

a heart warming ceremony at the primary school on the final morning and an impressive grand opening and ribbon cutting celebration at our brand new Mulanje Mission Hospit kitchen in the afternoon.

he Duke of Edinburgh's Award iking expedition was a five day dventure to the highest and orthest reaches of the Mulanje lountain massif. Every member four expedition team was uccessful in conquering Sapitwa ummit which, at 2998 m.a.s.l., is he highest point in the Mulanje hountain range. Many of the boys ave suggested that summiting apitwa was one of the toughest

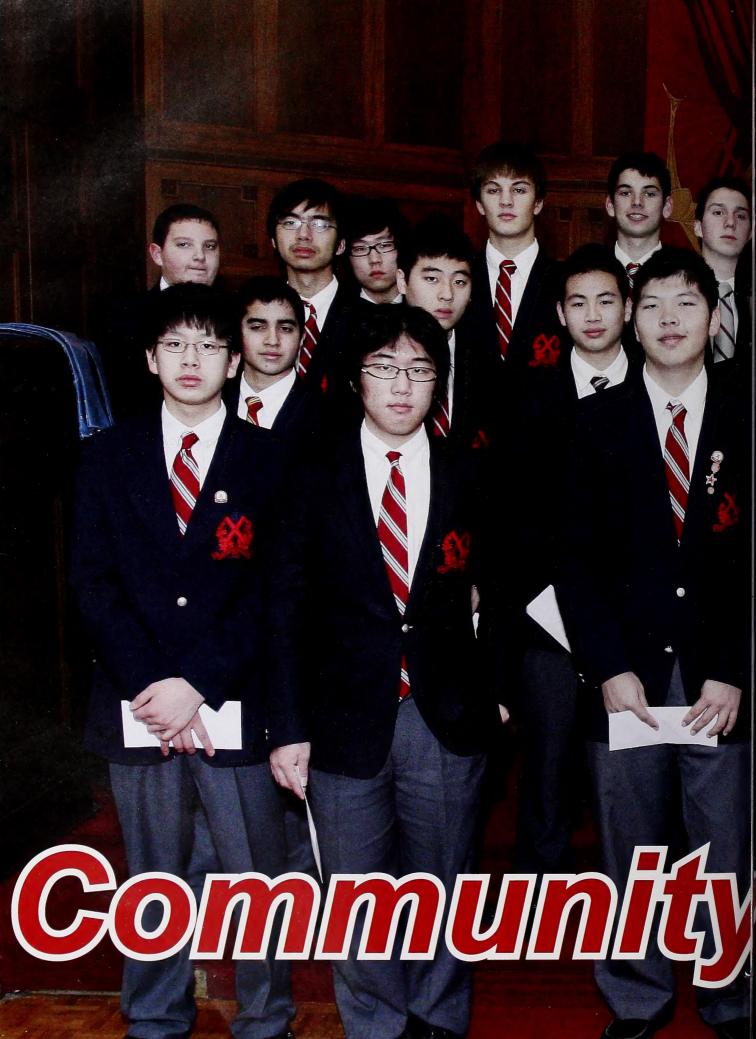

periences

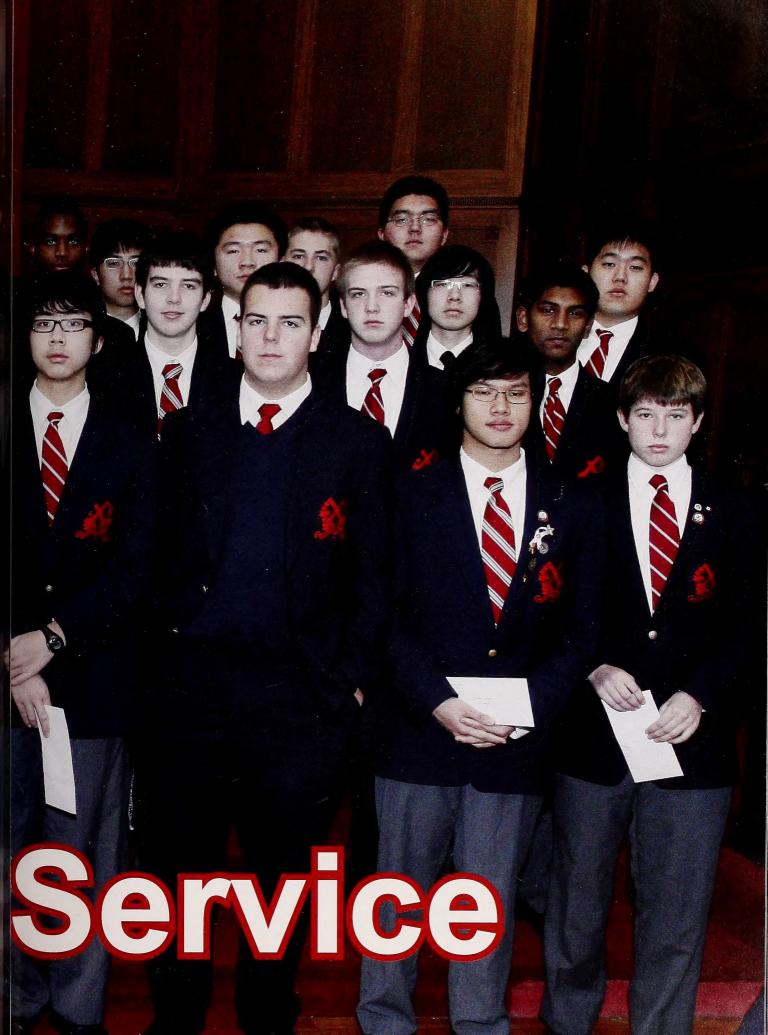

nings they've ever done, but the experiences nd hardships they shared on this journey certainly enabled them to gel s teammates, and as friends. We could not have been more proud of their performance. Il of the boys exhibited a high degree of character and perseverance.

ollowing these intense experiences, group members had a chance to unwind with ome sun, surf and sand at a beautiful Lake Malawi beach resort called Club Makokola. couple days of snorkelling, swimming and lounging was exactly what we needed to eflect on everything we had seen, felt and learned over the previous two weeks. After his time at Club Mak, the St. Andrew's contingent flew to Johannesburg to embark on n unforgettable five day safari in South Africa's Kruger National Park where they had ne opportunity to observe elephants, rhinos, water buffalo, zebras, giraffe, impala, aboons, hippoes, crocodiles, and even the rare Cheetah in their natural habitat. What fantastic way this was to finish off an amazing African journey.

Il of us were happy to return to Canada, but we did so with a far greater appreciation or how fortunate we really are. For at least a short time, none of us will be taking things or granted in quite the same way that we did before our Malawian adventures.

Back in October, the students of the SAC Environmental Council, fondly known as SAGE (St. Andrew's Green Environmentalists) had a serious discussion about what they could do to significantly and permanently reduce the school's ecological footprint. Out of that discussion, the idea was formed to bring in an outside consultant to lead the St. Andrew's community through a process of environmental audits, reviews and 'green' planning. After some serious research and checking of references as well as several rounds of discussion with members of the school administration team, Stephanie Foster of 'Fostering Sustainability' was hired in January to lead us through that process (http://www.fosteringsustainability.ca/index.html). Stephanie has over 20 years experience in strategic planning for environmental sustainability, policy development and project management, in academic, non-governmental, private and public sectors. In recent years, her focus has been on working with

independent schools and Colleges like UCC, Ridley, Branksome Hall, Appleby, Ashbury and Lakefield to help them understand how they can integrate sustainability principles into their facilities and operations, curriculum and professional development, and organizational behavior and attitudes.

planet earth

Our first step toward transforming SAC into an eco-friendly institution was to adopt a new environmental creed as follows:

#### SAC Environmental Creed

We believe that all Andreans should strive to cultivate ecological citizenship, and thereby inspire positive environmental change sustainable living within our school community and beyond.

We have also recruited representatives from faculty, staff, the student body and our parent community to sit on four separate "Pod" committees including: Operations, Facilities, Community and Communications, and Education and

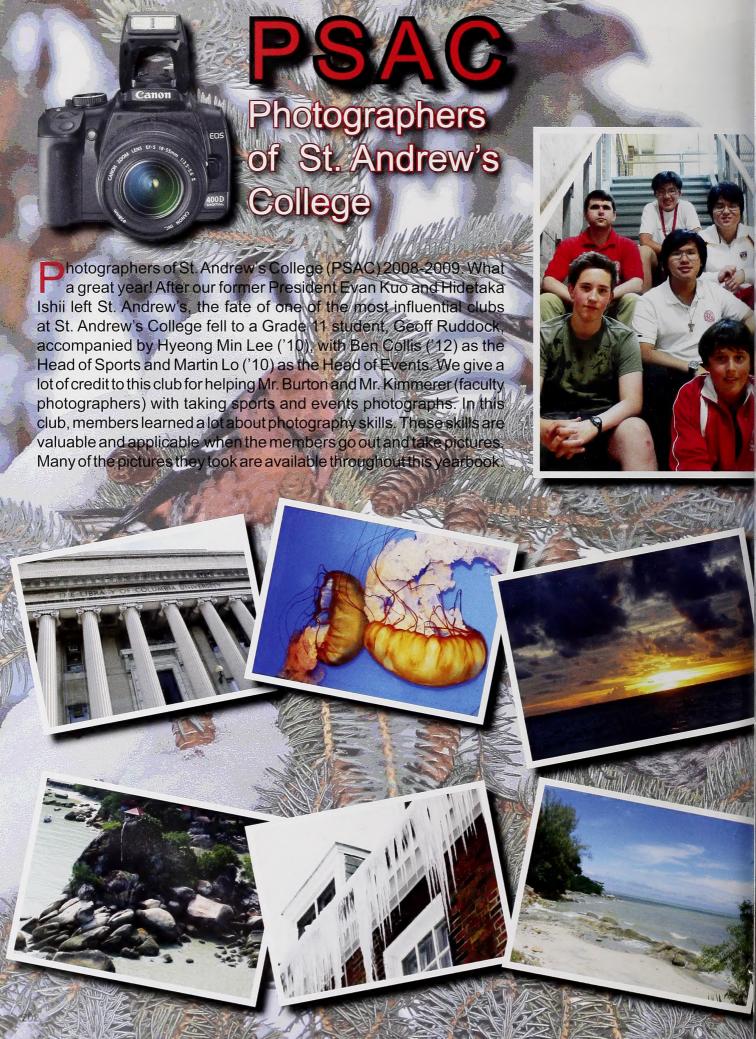

Curriculum. Each of these committees has been working diligently toward the ultimate goal of publishing a comprehensive Environmental Plan for St. Andrew's College in January 2010.

Members of the 2008-2009 SAGE committee are very proud of what we have accomplished this year and we're even more excited about future prospects for riding the "green wave" into a sustainable future.

- Mark Service SAGE Coordinator Michael Smith

KATEBOARDIN

### MATTHEW 7:13-14

Inter by the narrow gate. For the gate is wide and the way is easy that leads to destruction, those who enter by it are many. For the gate is narrow and the way is hard that leads to and those who find it are few."

Q: What's goin on? Aaron: Not much.

Q: Who runs Christian Fellowship?
Aaron: Jason Durst and I have co-lead the fellowship for the last two years.

Q: So what do you do the re?

Aaron: The Christian Fellowship meets every Monday for about an hour. During that time we learn and discuss Scripture and work on improving our understanding and relationship with God.

Some nights we will play games or eat pizza and watch movies, but the majority are lessons from the Bible.

Q. Why is Christianity important?
Adron: Well, first off you must understand what a Christian is... which is, simply a believer and follower of Christ. 1 John 5:12 states that, "He who has the Son has

Life, he who does not have the Son of God does not have life." Christianity is so important because without a relationship with Jesus you are spiritually dead, and will not inherit eternal life.

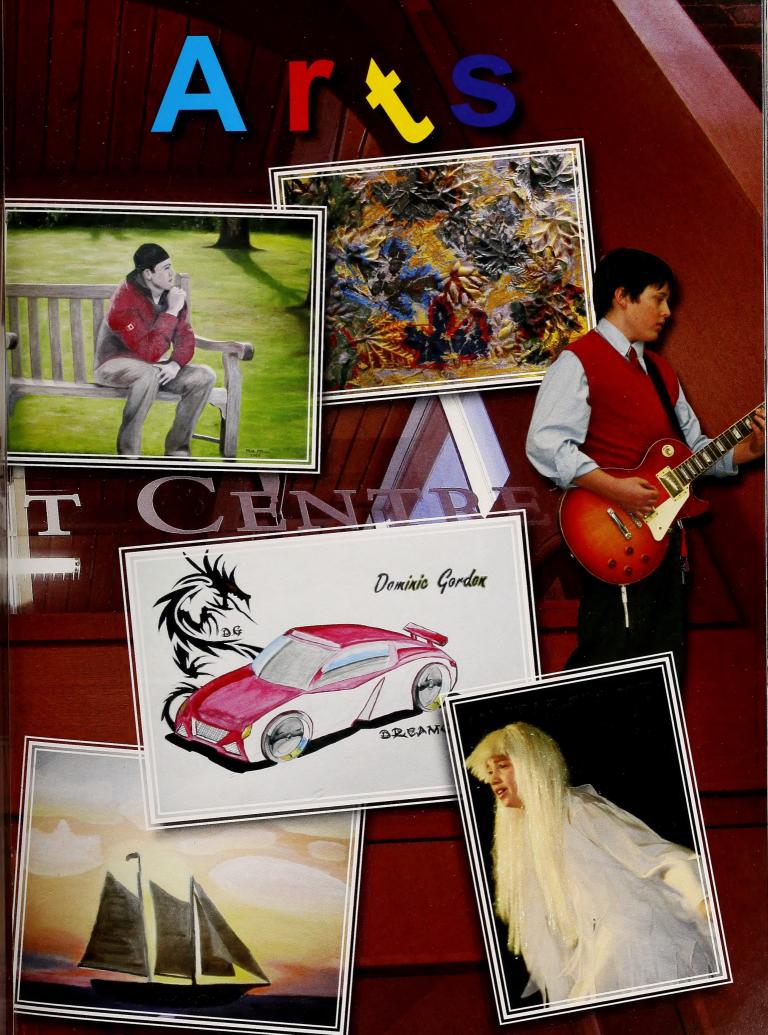

t: How is this club important to SAC

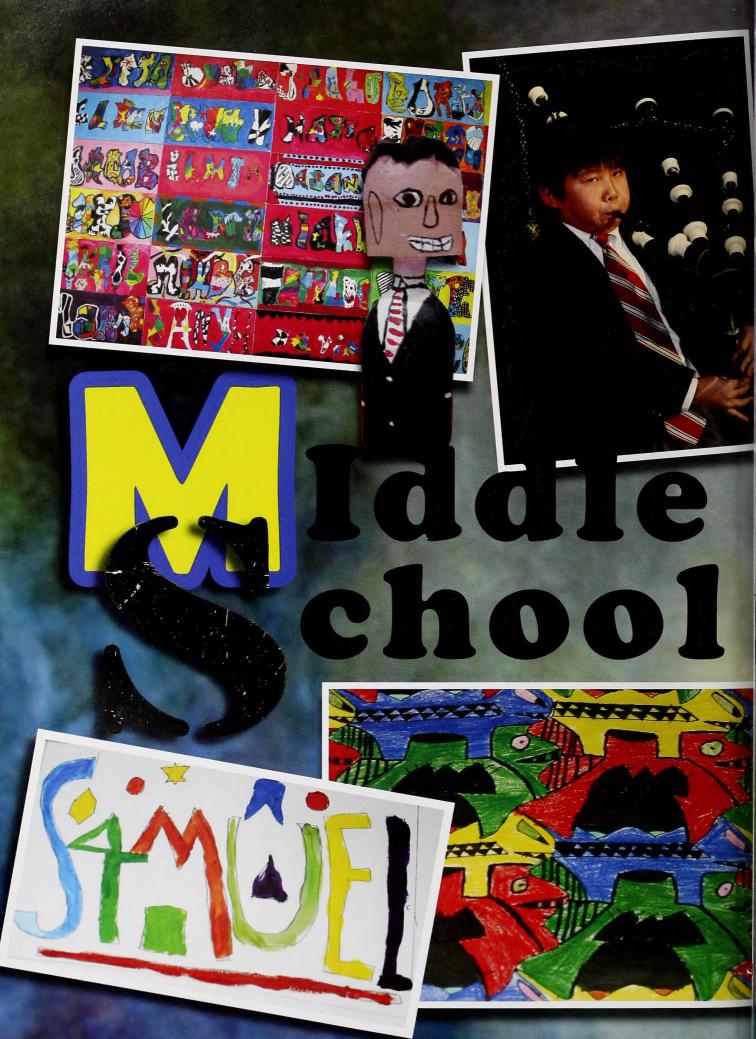

Aaron; It is essential to the students at St. Andrew's because it provides an escape from the busyness of SAC life, a time to relax and focus on what is really important

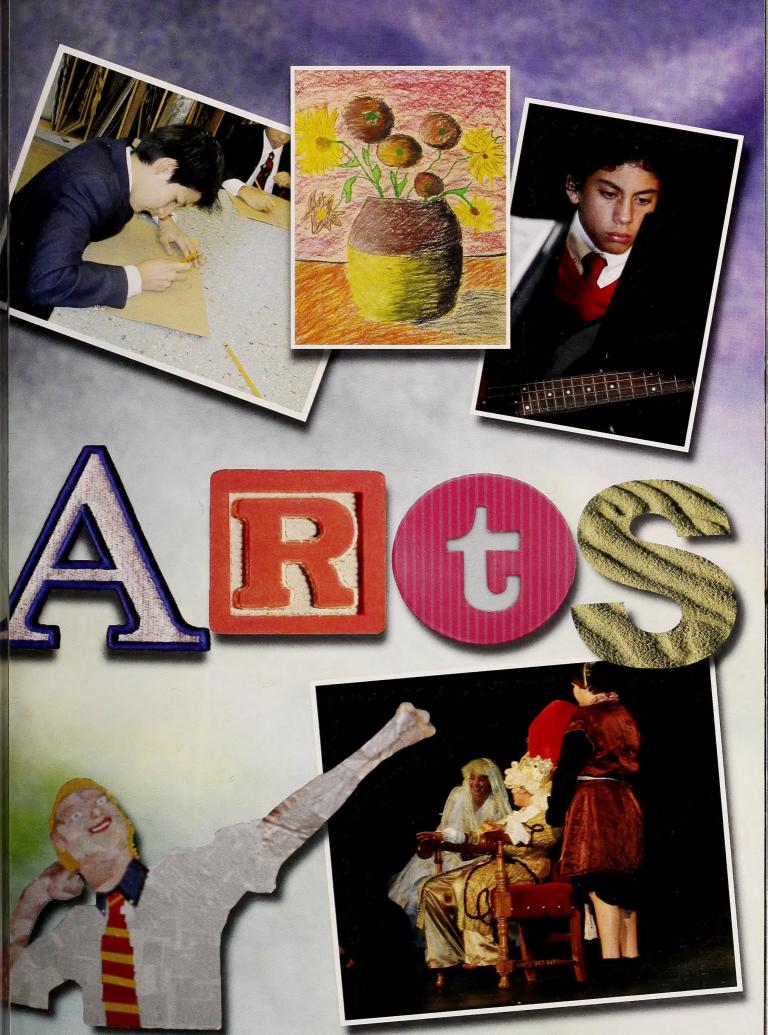

Q: Any final words you would like to say?

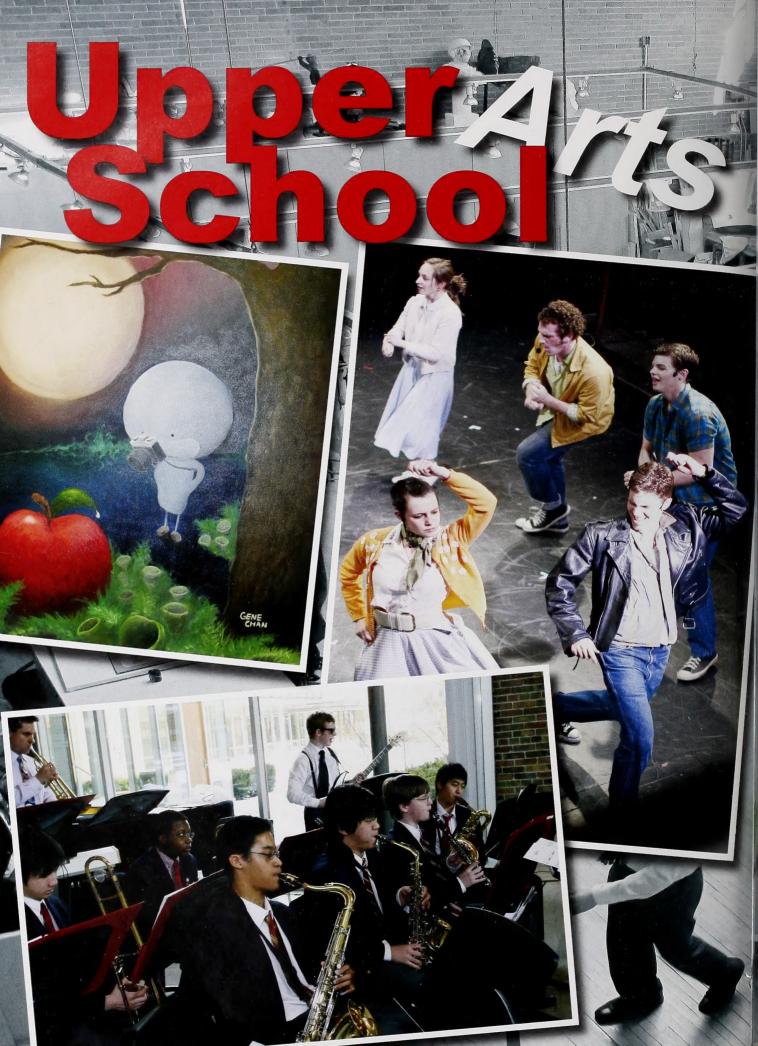

Aaron: I would like to say that Christianity is not about religion, rules, and regulations... it is about a relationship with God and his son, Jesus Christ. It's about love.

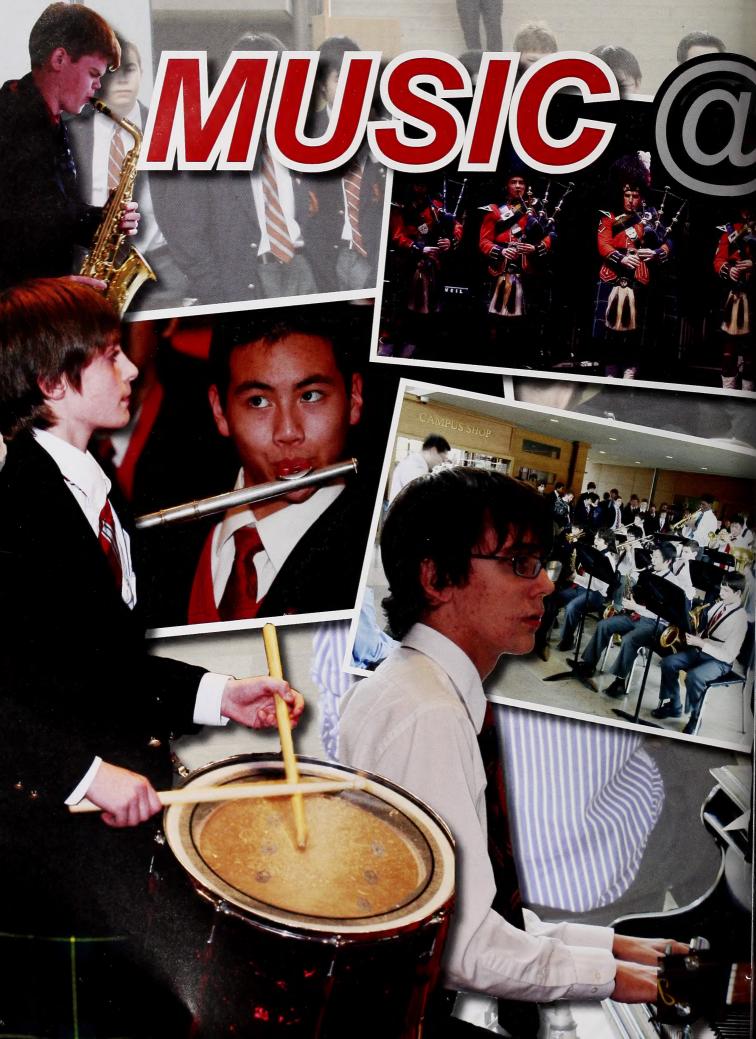

# Ted Staunton

Ted Staunton's 12 years at the helm:

Dynamic Headmaster does out on top

With the departure of red Staunton in June of this year, St. Andrew's College bids farewell to arguably its most dynamic a innovative Headmaster.

In 12 years as one of SAC's most vibrant and decisive Headmasters, Mr. Staunton and his team have rebuilt the faculty a corporate culture, overcome the loss of Grade 13, added Grade 6, expanded support areas such as Admissions and Advanceme implemented a school-wide laptop computer program, rejuvenated the 100-year-old Cadet program, and conducted a capic campaign and campus building program second to none in the country among independent schools.

Under his tenure, the School gained strength even as other such organizations felt the strain of a teetering economy. He leave behind a remarkably cohesive Leadership Team that inspires confidence and loyalty among the School's more than 150 faculand staff.

Mr. Staunton is the consummate leader, cutting a Kennedy-esque figure around campus, clearly the man in charge, but respect above all for his common sense and compassion in dealing with people at all levels, from governors to managers, faculty to state parents to Old Boys, custodians to Middle Schoolers, and groundskeepers to graduates. Anyone walking into Ted Staunton's office with a straight-shooter who was concerned for their personal well-being, as well as doing the pest thing for the school concern for all aspects of the SAC community is obvious in every decision he has made over his twelve year tenure.

To say Mr. Staunton is a supporter of student endeavours is an understatement. Adrama and music aficionado, the Hockey program number one fan, and a great believer in the Cadet Program, has made Mr. Staunton one of the most involved Headmasters the school's history. He has surprised countless boys by knowing their name and their most recent victories (and defeats) on soccer pitch, in the arena, or on the squash courts.

Mr. Staunton's humour, dedication, vision, and concern for the well-being of the school and its traditions and legacy will be some missed. We wish him and Mrs. Staunton all the very best as they embark on their next adventure at Saltus Grammar School Bermuda.

# Valletes 2008-2009

# New Appointments

# **Kevin** McHenry Headmaster 2010

St. Andrew's eighth Headmaster brings outside influences from the public system and an in-house record that has transformed the academic foundations of the School. When he was announced to staff as Ted Staunton's successor last December, the ovation afforded Kevin McHenry, gave no doubt that he was a popular choice among the faculty.

The youngest Headmaster since Dr. Macdonald took up the post in 1900, Mr. McHenry was born in Montreal and moved with his family to

Mississauga when he was five. He attended Erindale Secondary School

before earning an Honours BA in Business at Wilfrid Laur University, a B.Ed at Western and an M.Ed at University Toronto. His additional qualifications are numerous and incluhis Principal's Qualification Program from York University and diploma in Independent School Leadership from the CAIS Institute now teaches the 'Academic Administration' course for the organization.

Kevin began his professional career in Business Studies at Thorn Secondary School in York Region. He moved on to become the He of Business Studies at Huron Heights Secondary School and the Vice Principal at Newmarket High School, both in York Region. Joined St. Andrew's in 2002 as Director of Academic Studies a Director of the Upper School.

Kevin's wife Karan has followed a similar career path and is curren a Vice Principal in the York Region District School Board. The coup has three children: sons William, 8, and Caden, 5, and daugh Hadley, 3.

Kevin's innovations at the school are numerous and have rais SAC's academic standards to unprecedented heights. He value profiled in the Fall 2009 issue of The Andrean.

### Gary Godkin Assistant Headmaster

SAC's Director of Administration, will become the Director of the Upper School, effective August 2009. In this role, he will oversee many aspects of his current role and will assume additional responsibilities related to the day-today operation of the Upper School. Gary joined SAC in 2004 as the Director of Administration and a key member of the School's Leadership team and was responsible for converting SAC's home-grown student information system into a commercial product, allowing both parents and students online access to their reports, marks and attendance. Gary has played a significant role in working with the School's department heads as well as with the members of the Professional Development Committee. He helped to develop the Professional Growth Portfolio, and he is responsible for the creation of the New Teacher Induction Program.

#### Michael Paluch

## Upper School Director of Academics

Has been promoted to the position of Director of Academics, effective August 2009. Michael joined St. Andrew's College in 2006 as Head of the English Department and is also the Academic Support Coordinator. He has worked at developing a more rigorous English program and brought the Advanced Placement Program into the English curriculum. Michael has been at the forefront in developing the Centre for Learning and Teaching and has presented on the Writing Centre component at the Conference of Independent Schools' (CIS) Adventures in Curriculum Conference. Within the last year, he has presented on the topic of Providing Academic Support in a Boarding School Environment at The Association of Boarding Schools (TABS) Annual Conference, as well as on the topic of Boys' Literacy at the International Boys' School Coalition (IBSC) Annual Conference.
